

FOGG POINT SYSTEM

The Fogg report is named for Josiah Fogg, who was the first official member of the Missouri State SAR. His State Number is 001 and his National Number is 3801. He lived from 1824-1901 and died in St. Louis. Early records identify him as the founder of the Missouri Society, SAR. He was the first President of the Missouri Society, SAR, serving from 1889-1890 and 1890-1891. Because of all this, the Fogg Report is strictly a Missouri SAR report.

Many of the items listed on the Fogg Report are also on the Americanism/President General Form about which another list of point activities has been generation.
