The 101st MOSSAR State Convention was co-hosted by the Chapter, with the Braxton C. Pollard Chapter. This is what was written in the M. Graham Clark Chapter yearbook:

101st MOSSAR CONVENTION

Compatriot Clarence K. Pickard was the General Chairman

The Missouri Society held its l01st Annual Convention April 27th-29th at the Holidome in Columbia, hosted by the M. Graham Clark and Braxton C. Pollard Chapters.

There were 92 registrants, including wives and guests. Two Former Presidents General, M.. Graham Clark and Arthur M. King, were present as well as the current and immediate past Vice Presidents General of the South Central District, Dr. Robert Kurth and Colonel James A. Shelby, respectively. The current and many past National Trustees were also present.

This year, through the efforts of MOSSAR President Butler, past MOSSAR Presidents were honored at the awards luncheon. Five were present: Seth Caperton, Burton Hayfield, James Shelby, Craig Uncapher and Lawrence Loker.

Nearly every Chapter was represented. Missouri Governor Ashcroft, Columbia Mayor Mary Ann McCollum and Citv Councilman Rex Campbell brought greetings at the Friday dinner.

Other guests included State DAR Regent Ophelia Wade, Columbian Chapter Regent Marjorie Roberts, Junior CAR President Cathy Nelsen and Senior CAR President Mrs. Cavic.

Those honored at the awards luncheon included Trenton Tubbs, winner of the Eagle Scout competition, our entry for the Douglas G. High Contest, Joshua Dale Harmon, and Compatriot Richard Rice, who received the Law Enforcement Award.

The Best Chapter Award was renamed the "Josiah Fogg Chapter Excellence Award" (after the first member of the Missouri Society, SAR) and was presented to the two contenders who tied for first place: the Ozark Mountain and Harry S. Truman Chapters.

The Memorial Breakfast was better attended than ever before and was arranged by MOSSAR Chaplain "Chappie" Grandstaff, with responsive readings done by various Compatriots and special music from "Chappie's" own church.

Plans for a tour of Rocheport having been torpedoed by the Katie Trail opening, the ladies took a ride to Ravenswood, a 19th century mansion formerly on the river, owned by the Leonard family for many generations. We are getting two of the Leonard's as members this fall, we think.

Friday night's entertainment was by the Heart of Missouri Sweet Adelines, a charming group of barbershop ladies who brought smiles to every attendee.

Award: Law Enforcement Commendation Medal and Certificate were presented to Barry L. West, arson investigator, Division of Fire Safety, Missouri Department of Public Safety. He was introduced by Compatriot RICHARD C. RICE, Director, Missouri Department of Public Safety.

Compatriot Edward S. Gray was the recipient of the Bronze Good Citizenship Medal, presented jointly by Compatriot Pickard, former Chapter President and MOSSAR Surgeon, and W. Gordon Buckner, organizing Chapter President and MOSSAR President. The award was given to Compatriot Gray for his work early on in getting the chapter started and his sustained efforts since then.

Award: Compatriot Marvin Shamburger was the recipient of the Chapter Meritorious Service Medal, recognizing his many years of service as treasurer.

M. GRAHAM CLARK CHAPTER

COLUMBIA, MISSOURI

MISSOURI SOCIETY

SONS OF THE AMERICANA REVOLUTION

Freedom Is Not Free

I watched the flag pass by one day.
It fluttered in the breeze.
A young marine saluted it,
And then he stood at ease.

I looked at him in uniform
So young, so tall, so proud.
With hair cut square and eyes alert,
He'd stand out in any crowd.

I thought how many men like him
Had fallen through the years.
How many died on foreign soil?
How many mothers' tears?

How many pilots' planes shot down?
How many died at sea?
How many foxholes were soldiers' graves?
No, freedom is not free.

I heard the sound of Taps one night
When everything was still.
I listened to the bugler play
And felt a sudden chill.

I wondered just how many times
That Taps had meant Amen.
When a flag had draped a coffin
Of a brother or a friend.

I thought of all the children,
Of the mothers and the wives.
Of fathers, sons, and husbands
With interrupted lives.

I thought about a graveyard
At the bottom of the sea.
Of unmarked graves in Arlington.
No, freedom is not free.

Chairman MOSSAR Eagle Scout Award

CONGRATULATIONS MOSSAR Chapter Eagle Scout Scholarship Chairmen! Eagle Scout Donald Fuller Jared Haring, Boy Scout Troop #420, Springfield, MO is the Missouri State Society winner. Scout Haring is interested in membership in the SAR and is working on his application.

Eagle Scout Haring was presented a Bronze Desktop Eagle Trophy and a $300 cash scholarship from the Missouri Society at the 108th Annual Meeting in Kansas City on Saturday, April 25, 1998. His parents Mr. and Mrs. Haring were in attendance. The award was presented by Compatriot Coonrod.

The MOSSAR Eagle Scout Committee congratulate all Eagle Scout winners and wish them well in the future. We also congratulate the parents and Scout leaders of these young men.

Your responsibility as Chairmen of the SAR Eagle Scout Scholarship Program for your chapter is most important, and I thank you for your interest and leadership. You play a vital role in supporting your State Chairman, in coordinating the overall Scholarship program, and in selecting the Scholarship winner for your Chapter and State each year.

Missouri Society

An extremely valuable Revolutionary War artifact was shown to Compatriots attending the Society's Annual Membership Meeting in Kansas City during April: the sword first presented by the Marquis de Lafayette to General George Washington during the War and then by Washington to Rev. John Gano, Chief of the Chaplains of the Continental Army. This latter act was supposedly taken upon the General's baptism by Gano. Shown displaying the sword was Herbert F. Simon, Society Genealogist and Vice President of the **Harry S. Truman Chapter**. It is now in the possession of William Jewell College in Liberty, Missouri.

David Sympson (right), President of the Kentucky Society's Louisville-Thruston Chapter, presented the complete genealogical research on Offutt, Beall, Magruder and allied families of Kentucky and Maryland. Accepting were Librarian Michael Christian (left) and Librarian General Lawrence L. Loker. The research was compiled by Nelle Offut Chesley and contains documentation of approximately 3,000 pages.

MISSOURI NO. 1 AGAIN!

Compatriot James D. Coonrod
Color Guard Editor

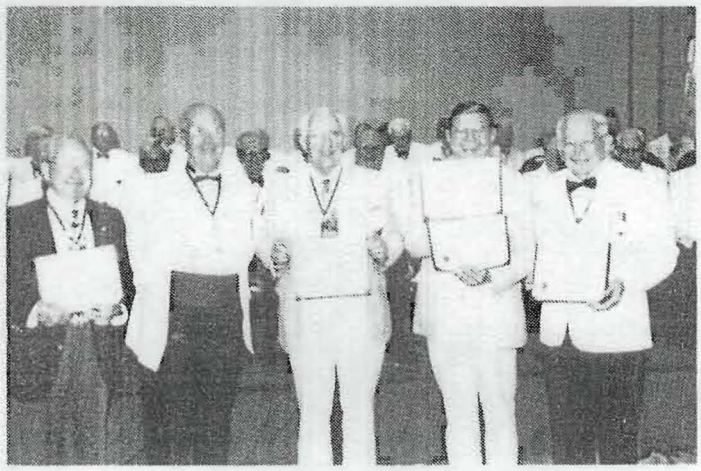

The Missouri Color Guard won the "President General's Color Guard Trophy" for the most accomplished Color Guard in 1997 under Commander Robert L. Grover. This is the second time in two years we won the trophy. The first year was 1996, under Commander Roy Hornbuckle. Job well done!

The Missouri Color Guard "Guardsman of the Year 1997" is Compatriot Sterling Goddard. This is the second time he has won. He won the award the very first year, in 1995. He is a very outstanding Color Guardsman, and we all thank him very much.

Although we, as a state Color Guard, are not eligible for the President General's Trophy in 1998, the Harry S Truman Chapter Color Guard is trying for the Chapter Trophy in 1998. Keep up the good work.

MISSOURI SOCIETY - SONS OF THE AMERICAN REVOLUTION

M. GRAHAM CLARK CHAPTER

HISTORY

* * * GENESIS * * *

In the late 1970s, Former President-General DR. M. GRAHAM CLARK, EDD, LLD, President Emeritus, School of the Ozarks, (SAR member since JUN 1962; NS #87136, NS Life #792/MS #861, MS Life #146) became concerned with the lack of expansion of the Missouri Society. He knew that the future of the Sons of the American Revolution in Missouri depended upon a solid membership base, planned recruitment, and the availability of local chapters. DR. CLARK contacted several active members-at-large in the central Missouri area to determine the feasibility of forming a chapter. Among those contacted were Compatriots:

PAUL W. BENNET, Vandalia
LOWELL CARY BANKHEAD, Higbee
WILLIAM GORDON BUCKNER, Marshall (SAR member since MAR 1973; NS #102766, NS Life #527/MS #991, MS Life #101)
DR. ALLAN B. BURDICK, Columbia (SAR member since APR 1975; NS #108019/MS #1046)
CHARLES W. ELSEA, Marshall
DR. CLIFTON D. GRAY, JR., Marshall
EDWARD S. GRAY, Jefferson City (SAR member since AUG 1977; NS #112615, NS Life #797/MS #1090, MS Life #139)
DR. FRANCIS L. STUBBS, Columbia (SAR member since AUG 1979; NS #114292/MS #1118)
MAX S. WOODS, Columbia
DR. MARVIN SHAMBERGER, Columbia (SAR member since MAR 1980; NS #116841/MS #1141)

Having received agreement and encouragement from these Compatriots, in 1979 DR. CLARK met with MOSSAR President WADE K. FORMAN; MOSSAR Registrar MERRILL D. BERKELEY and Compatriot CARY BANKHEAD of Higbee. DR. CLARK, with the support of Compatriots FORMAN and BERKELEY, urged Compatriot BANKHEAD to initiate a drive to form a mid-Missouri chapter.

On January 15, 1980 Compatriot BANKHEAD chaired a meeting in Columbia. Participants at this meeting formed a steering committee to develop plans for a new chapter. The steering committee worked through the spring of 1980 and, in the fall, presented to the State Society a petition to form a new chapter in Columbia. The petition was approved on September 27, 1980. Following this approval, MOSSAR President SETH CAPERTON contacted Compatriots WILLIAM GORDON BUCKNER and EDWARD S. GRAY to encourage them to continue working on plans for the new chapter. Due to other, unavoidable commitments, Compatriot BANKHEAD was forced to withdraw from active participation in these activities.

During the fall and winter of 1980, Compatriot BUCKNER worked with mid-Missouri SAR members-at-large to create a cohesive unit. On March 10, 1981, Compatriot BUCKNER chaired a planning committee meeting in Columbia to finalize plans for the new chapter and to nominate the following Compatriots for the offices shown:

President	WM. GORDON BUCKNER
Vice-President	CHARLES WAYNE ELSEA
Secretary-Treasurer	EDWARD S. GRAY
Registrar	DR. FRANCIS L. STUBBS
Chaplain	FLOYD D. REECE

Noting that the State Society was to meet on March 14, 1981, President-Nominee BUCKNER suggested that the Chapter should have a name prior to that meeting. Earlier, it had been decided not to name the Chapter for the Revolutionary War ancestor of a member. Several names were considered, including Yorktown, Boonslick, Kaskaskia and Central Missouri. After some discussion, it was observed that none of the achievements relating to the formation of the Chapter would have been possible without the foresight and determination of FPG DR. M. GRAHAM CLARK. Following this observation, the committee members voted unanimously to name the new chapter in honor of DR. CLARK.

The official Charter of the M. GRAHAM CLARK CHAPTER was signed on April 23, 1981 by MOSSAR President BURTON W. MAYFIELD and by MOSSAR Secretary RYLEN M. RUDY. On April 25, 1981, the Charter was presented to the Chapter and FPG DR. M. GRAHAM CLARK installed the following Charter Members to serve as 1981-1982 Officers, the first year in the life of the Chapter:

President	WM. GORDON BUCKNER
Vice-President	CHARLES WAYNE ELSEA
Secretary-Treasurer	DR. ALLAN B. BURDICK
Registrar	DR. FRANCIS L. STUBBS
Chaplain	FLOYD D. REECE

The flags used at the installation ceremony were donated to the Chapter by Compatriots DAVID JUDSON GRAY, Massachusetts Society President and EDWARD S. GRAY, Missouri Society Registrar, in memory of their father, Compatriot REV. DR. CLIFTON DAGGETT GRAY, JR.

Many of the children were orphans, others were from families too poor to care for them. The plan was based upon the reality that these children were impoverished with virtually no chance of improving their lot, and the widely held belief that the midwest farms offered a stable home environment, adequate nourishment, fresh air, an opportunity to work, to obtain an education and to become good citizens. Although these advantages did come true for many, others were mistreated and lived lives as slaves or worse.

In September the CAR will be represented by Joyce Stanley and one or more of the CAR members. The November meeting will feature John N. Hoover of the Mercantile Library of St. Louis in a scholarly presentation of Audubon's last western trip.

NEWS FROM THE RECENT NATIONAL TRUSTEES MEETING in Louisville will be available. The recent flap about compromising the genealogy in some difficult applications has been quashed by majority vote.

PROGRAM: ***A Massachusetts Revolutionist: Tertius Taylor.*** Dr. Goodrich, Director of the Historical Society of Missouri, will be our speaker. Please be here to make him welcome.

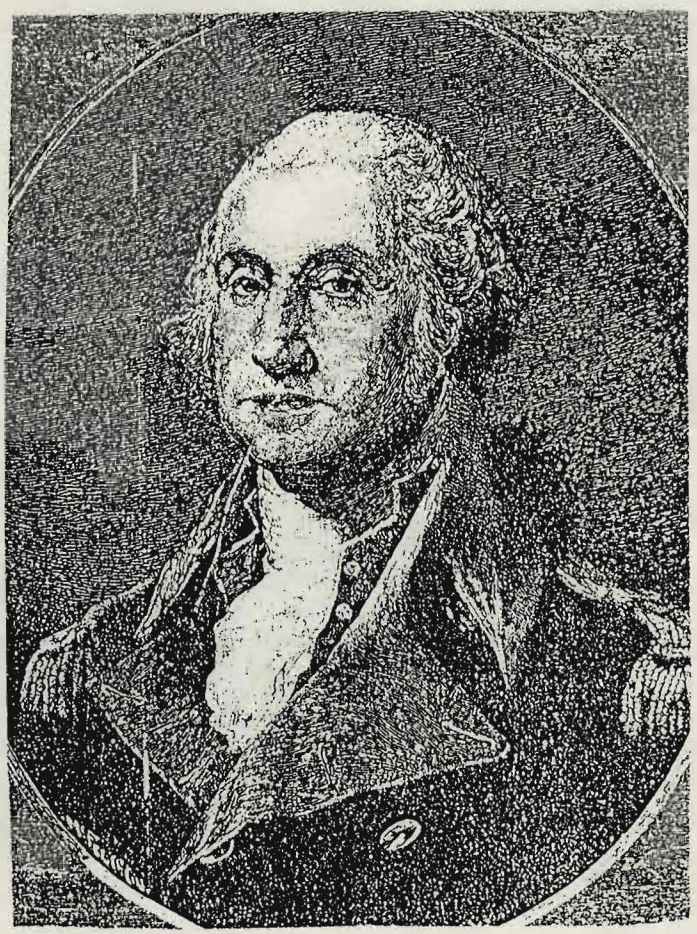

YOU STILL HAVE TIME to register for the State Convention in Kansas City, Apr.24-25.

THE MOSSAR ESSAY Contest was won by Michael Vondriska of the St. Louis area. Nine chapters competed, including M. Graham Clark. The Oratorical Contest winner will also be at the MOSSAR Convention to give his presentation.

NATIONAL CONGRESS in Orlando will be a real spectacle. Those who were not in Baltimore for last year's Congress missed seeing a very impressive memorial procession of bagpipes and drums playing a 200 year old hymn, followed by the national Color Guard, followed by chaplains of several denominations, marching to a very beautiful and historic church on a glorious summer day.

A hot buffet breakfast will be served. Wives, friends, guests, and prospective members are welcome. No reservations are required.

PROGRAM: Dr. Peter Hasselriis, Dept of History at the University of Missouri, will talk about ***The Quality of Life in Revolutionary Times.*** This is a special treat. The DARs have heard this presentation, and from what I have heard, would be delighted to hear it again.

NATIONAL CONGRESS in Orlando: You can still make plans for going. June 5-10, with bus service to all the Disney areas. Registration and hotel reservation forms will be available.

WE WILL HEAR REPORTS about the MOSSAR Annual Convention in Kansas City. Several of our Compatriots were there. Michael Vondriska of the St. Louis area won the Essay Contest, and Missouri will be sending a State winner to Orlando in the speech contests. President Lynch and Tom Bogard will be reporting on other notable winners.

NEXT YEAR, for one or two of our programs, we will ask 2 or 3 of our own compatriots to give a 10-minute presentation about their Revolutionary ancestors! Anyone interested should send Jack Pickard a copy or outline of what he intends to talk about. Should be something interesting to all; maybe a human interest story, an unusual event or a noteworthy family. Or if you have a story 20-25 minutes long, it may be appropriate for a whole program!

FOR THE SEPTEMBER MEETING, we will hear from the CAR. Joyce Stanley and perhaps one or two CARs will be here, and give us an idea of what the CAR program is doing. The Stanleys and Greens are very active in CAR, an organization that may furnish many SARs and DARs later on.

Compatriots Alfred Jones and his son, Terrill Jones, present the S.A.R. wreath at Memorial Day Ceremony at Boone County Courthouse, May 25, 1998.

PROGRAM: The CARs will give us a presentation, a skit, along with introduction by Joyce Stanley. The **C**hildren of the **A**merican **R**evolution are an important source of new members for SAR and DAR, and we should be paying attention to their activities. They publish a newsletter and have regular meetings in Columbia. The Stanleys and the Greens are very active in promoting them, and would welcome any help. members, and in working with a very worthwhile bunch of the junior population, get involved!

The National Congress in Orlando was very worthwhile and enjoyable. The move to "grandfather in" all sons, grandsons and nephews of SAR members, regardless of mistakes in their genealogy, was pushed hard by the President general, the immediate past PG and many others who were willing to make SAR the laughing-stock of the entire genealogical community for the sake of retaining a few members. I spoke a few words against it, but soon found that the majority were against the idea of compromising the quality of our genealogy. The move was easily killed. A watered-down resolution that the Genealogist General should show every consideration and do everything possible to help relatives of SARs seeking membership was passed as a consolation to the losers, but of course chapter, state and national genealogists are already doing this.

A move to raise the fee for supplementals failed for lack of agreement on the amount of the raise, and whether to make it non-refundable. This question arose because many members are apt to submit very questionable lines just "to see if it will fly," and these take twice as long as a good, "clean" application. All supplemental applications should be forwarded by the Chapter Genealogist to the State Genealogist, not mailed directly to National as some have done. It looks as though they will pass a raise next year, and make failed applications non-refundable, to discourage this practice.

Three cheers for Dave Means, who made it possible for our chapter and MOSSAR to win the Stark award for the most veterans' service points in the nation. Dave was also awarded the individual "General Westmoreland Award" for his services. See the current *Missouri Compatriot* for more details. The chapter is also proud of Compatriots Ed Hampton and Al Jones, who are very faithful VA volunteers and helped to make these awards possible.

Please keep us informed of anything newsworthy so it can appear in the newsletter. Call or write Jack Pickard, who also appreciates your ideas about programs! He is at:

Another Missourian who is doing us proud is Larry Loker, who won the Flathers award for the 3rd time for the *Missouri Compatriot* which he has managed almost single-handedly. He is finishing his third term as Librarian General and is now running for Registrar General. You should send a short note before Dec. 31 to the Chairman, National Nominating Committee, FPG Carl K. Hoffman, 1291 Beach Ave., Atlantic Beach, FL 32233, giving your personal endorsement.

The best time to pay dues is **NOW!** Still $40. For those of you who have paid State and National lifetime dues, you owe $10 for Chapter dues. We rank higher on the Josiah Fogg Best Chapter Award scale if we pay dues early.

Fund Raiser: Save your "pink elephants," etc. to donate to an auction to benefit the M. Graham Clark Chapter Endowment Fund. More on this later.

THE VICTORY AT YORKTOWN is what we celebrate in October, for on the 19th of that month, while the band played *The World Turned Upside Down,* Cornwallis' sword was delivered, not by him but by General O'Hara, first to Rochambeau, who indicated Washington should have it, then to General Lincoln, since Washington felt slighted that Cornwallis was not there in person. Admiral De Grasse was ill aboard his flagship *Ville de Paris,* so could not attend. His

action against the British Navy prevented Cornwallis from escaping by sea, and set the stage for American victory.

Benjamin Franklin wrote to John Adams: "It is a singular circumstance that an expedition so complex, formed of armies of different nations and of land and sea forces, should with such perfect concord be assembled from different places by land and water, form their junction punctually without the least retard by...wind or weather or interruption from the enemy, and that the (enemy) should ... have had the goodness to quit a situation from whence it might have escaped, and place itself in another from whence an escape was impossible."

OUR PROGRAM is part of the *American Mirror Speakers Bureau,* which is sponsored by the Missouri Humanities Council and funded by the State of Missouri with matching funds from the National Endowment for the Humanities. Mr. John Neal Hoover, Director of the St. Louis Mercantile Library at the University of Missouri-St. Louis, and Associate Director of Libraries for Special Collections at UMSL, will speak on *Audubon in the West.* Mr. Hoover is extremely well-informed on his topic. I have heard his presentation given to another group and found it very interesting and worthwhile. Our Treasurer John Miller will be bringing a couple of old Audubon prints from the Octavo series of the 1850's for Show and Tell.

A REMINDER: Write a note endorsing Larry Loker for the national office of Registrar General. He already has the Missouri Society endorsement but sometimes the **number** of endorsements, individual, chapter or society, influences the Nominating Committee. Write before 12/31/98:

THE AUCTION IS SCHEDULED for Friday, November 20 at 10:00 AM, at the Kemper Arena, Highway 763 North (across from the old Hayden House). Graham Clark Chapter Endowment Fund**, the income from which will be used to fund our various expenses such as medals, certificates, prizes, awards for citizenship, scholastic achievement, transportation or hotel expense for contest winners going to

State Conventions, and other such laudable activities. As pointed out before, this is an alternative to raising your dues, and always worth considering in your charitable contribution list. Contributions are deductible. The Endowment Fund needs **Money** and **"Stuff!"** The "stuff" is for the Auction, and we don't have enough yet for a big sale. Call Tom Bogard or Jack Pickard if you have good items that will sell. We have a truck and can transport large items.

The Columbian chapter, DAR is again hosting a combined meeting with SAR, a **LUNCHEON** at the Columbia Country Club. Please make a note of this on your calendar along with a notation of the change in time and place, for this meeting only.

Unlike SAR meetings, <u>RESERVATIONS ARE REQUIRED.</u> Please call Anne Marie Pickard (Mrs. Alex Pickard) at 445-7531 by December 5 if you are planning to attend.

<u>PROGRAM</u> brought to us by Dr. David Rayle, Director of Choral Music at the University of Missouri. The DAR State Regent will also be there.

Wives are welcome whether DAR or not. Friends, guests and potential members too. These joint meetings have been very enjoyable, and we get credit for the Fogg Award for joint meetings.

We had many items contributed for the auction, held at the Kemper Arena on Friday, Nov. 20. Many of you were very generous. Mr. Kemper donated his services and received a flag award from the chapter, conferred by Tom Bogard. The proceeds are to go to the **M. Graham Clark Chapter Endowment Fund**, hopefully to fund worthwhile projects such as medals, transportation for competing high school students to the MOSSAR Convention, Scholarship Certificates, etc.

We did not exactly make millions at the auction, and financial contributions for the Endowment Fund would be very welcome. It's deductible.

For the January meeting, we will be back at the Lenoir Community Center, 8:00 AM on Jan. 9. Guy Long will speak to us on a somewhat controversial topic, the burning or desecration of the Flag. Should be interesting. Allan Burdick will introduce him.

If anyone has still not paid dues, bring your checkbook, or send $40 to:

We are a variegated group, travel in different circles, have friends and acquaintances that function in different disciplines, and this should make for a refreshing variety in programs.

IMPORTANT NOTICE: Our President Harold Lynch reminds us that this will be one of the most important meetings of the year, since the Nominating committee will present a slate of nominees for the chapter offices. After these are read, nominations may be made from the floor, and voting will take place immediately. Our By-Laws require that a quorum is present, and a two-thirds vote of members present is required for election.

THE PROGRAM, *The Care and Feeding of your Backyard Friends* will be given by Jerry Cathcart, Manager of Songbird Station at the Forum Shopping Center. He has something new in the way of bird information every time I meet him, and is very happy to meet and talk with people who are as interested as he is. His store is packed with feeders and equipment, a font of knowledge about bird problems and a clearing-house for bird news and information. If you can't figure out why your birds are doing what they do, ask Jerry!

Jerry conducts birdwalks and publishes a very entertaining newsletter. Come and have breakfast with him, and bring a few questions.

IF YOU HAVE QUESTIONS about SAR State or National policy or actions, mention it to Harold Lynch, Tom Bogard or Jack Pickard. Or better still, come to a MOSSAR Board meeting and voice your concerns. Members are always welcome and have the privilege of the floor but can't vote. The most important questions are decided by grass-roots input.

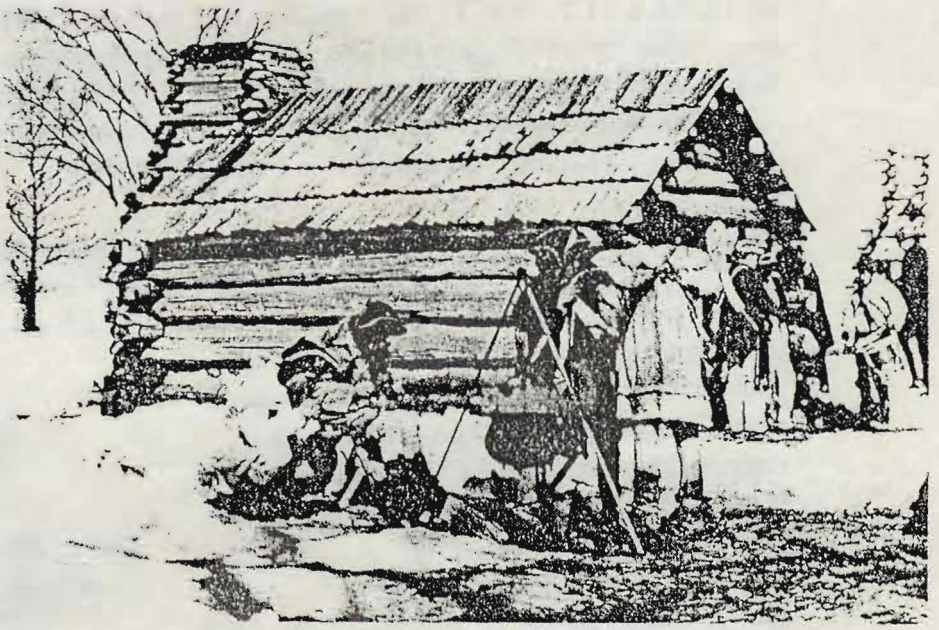

ALSO, MAKE PLANS for attending the MOSSAR Annual Convention and Membership Meeting, April 30-May 1. More about this meeting next month.

A cold winter brings to mind the tribulations of the American troops wintering at Valley Forge. On arriving there on Dec. 19, 1777, having walked over the Schuylkill River on a hastily-constructed bridge of planks in a freezing rain, they broke out the tents to keep some of the weather off their backs. They lived in these tents until they had their huts built, and Washington decided he would do likewise until his men had better quarters. Washington's tent is still intact, is the property of the Valley Forge Historical Society, and can be seen at the Visitor Center af the Park *(Right)*.

When the huts were finally done, their lives were not much better; the roofs leaked so badly that some enterprising soldiers used their tents to cover the roofs!

Some of the men handy with a needle and thread would make a whole uniform out of an old tent. Washington wrote to Congress. "They sleep under ice and snow. Most have only one shirt, and some only a moiety (a part) of one."

Starvation and deficiency diseases were common. One desperate group of soldiers butchered a horse, leaving the harness and cart right in the middle of the road! Firecake (flour and water cooked over the fire) was often the whole meal, and when they did have meat, they were out of flour.

Discipline and military training were almost unknown until one day in March, when von Steuben appeared. More about him next month.

Compatriot Thomas H. Bogard was born September 2, 1935 in Carlisle, Arkansas to Virgil Thomas and Eva Jarmon (Watson) Bogard. He traces his ancestry to the Revolutionary War Patriot, John Wise, a corporal in the 9th Virginia Regiment.

After graduating from Little Rock Central High School in 1953, Bogard enlisted in the U.S. Navy. He served on amphibious and mine counter-measures support vessels, aircraft carriers and destroyers. By the age of 26, he had held every enlisted rank. Upon completion of baccalaureate work at the University of Arkansas, he was accepted into the Navy's Officer Candidate School and was commissioned Ensign in the summer of 1962.

In addition to the B.A. (English) earned at the University of Arkansas, Bogard also earned an M.A. equivalent in the Russian language from the Defense Language Institute as well as an M.A. (Political Science) from the University of Hawaii. A Russian linguist, he served four years as Presidential Translator on the Washington to Moscow Hot Line under Presidents Ford and Carter.

His many tours at sea included service in the Pacific, Atlantic, Mediterranean and Caribbean. He held command positions both at sea and ashore.

In 1983, upon retiring from the U.S. Navy in the rank of Commander, Bogard started a data systems consulting business, specializing in computer-based accounting.

MEET COMPATRIOT HAROLD M. LYNCH PRESIDENT M. GRAHAM CLARK CHAPTER

On January 3, 1994 Compatriot Harold M. Lynch became a member of the M. Graham Clark Chapter, MO Society of the SAR. Since that time he has served as Chapter President, Vice President, Genealogist, Chairman of the Rumbaugh Orations Committee, Chairman of the Revolutionary War Graves Committee and is a member of the Chapter and MOSSAR Color Guard.

Harold M. Lynch was born June 2, 1927 in northeast Howard County, MO. He is the son of Caleb and Hazel M. (Thorpe) Lynch, and is the youngest of four children—the others being a sister and two brothers. Several of Compatriot Lynch's ancestral families were among the pioneers of central Missouri, before Missouri's statehood.

Growing up in Moberly, MO, Compatriot Lynch experienced the usual part-time jobs, such as paper route, milk route and grocery clerk.

After moving to Columbia, MO in 1943 and before completing high school, Compatriot Lynch enlisted in the U.S. Navy. He served as a Yeoman 3/c with the Mine Squadron 106, in the Philippines. After discharge he returned to Columbia and finished his senior year at David H. Hickman High School with the Class of 1947.

During the summer of 1947, Compatriot Lynch took flying lessons and received the Private Pilots Certificate on September 16, 1947. Soon after he enrolled at Southwest Photo-Arts Institute at Dallas, TX. After completing the Professional Photography Program, Compatriot Lynch returned to Columbia and began a career of 40 years in Photography, Television and Motion Pictures. He was a Charter Member of the Saint Louis Chapter of the National Academy, Television Arts and Sciences and a member of the Society of Motion Picture and Television Engineers. While Director of Photography at Technisonic Studios, St. Louis, MO, he received several awards for the production of television commercials.

Returning to Columbia, MO in 1968, Compatriot Lynch spent the next 15 years as the Medical Cinematographer for the

Compatriot David B. Means Wins General William C. Westmoreland Award

Compatriot David B. Means (B for Blose, his mother's line) has brought fame to the M. Graham Clark Chapter and to MOSSAR with his work at the Harry S Truman Veterans Hospital in Columbia.

At the Awards Ceremony at the National Congress in Orlando on June 8, Compatriot Means was awarded the General William C. Westmoreland Award, indicating the most auspicious service in any of the state societies to our veterans.

At the same time, the M. Graham Clark Chapter won the Stark Award, and MOSSAR won a similar one, for showing about three times the points claimed by any other chapter or society for service to veterans.

These honors are no surprise to those who know Dave. A modest and unassuming man, he goes far beyond any task assigned to him. Appointed VAVS Deputy Representative in 1994, and Representative in 1996, he showed an increase in volunteer hours to over 4000 by 1997. He is eager to give our Honorary Vice President "Chappie" Grandstaff the credit for much of this, and also several loyal compatriots who work regularly and without fatigue or complaint.

Compatriot Means has volunteered since 1990 and has accumulated over 2000 volunteer hours. He has been a very active member of special committees concerning preferential access for handicapped veterans, and with the Missouri State Veterans Affairs Committee, to enhance flow of information between organizations.

He grew up in the now famous town of Punxsutawney, PA, where the legendary groundhog first saw his shadow. He has always celebrated Groundhog Day, with little presents to his neighborhood and to the veterans, a tradition that has developed into a sizable celebration.

He earned his AB in History and Geography at the University of Nebraska at Omaha. He married Connie Haag of Walston, PA. They have five children of whom they are very proud, and, so far, five grandchildren.

His Revolutionary War ancestor and three supplementals are all from Pennsylvania. He has recently identified the log cabin where the Revolutionary War ancestor bearing his own surname lived.

Compatriot Means served in the Air Force 1951 to 1971, flew 46 combat missions, earning the Distinguished Flying Cross; the Air Medal with Oak Leaf Cluster; the Meritorious Service Medal; the Korean Service Medal with two Battle Stars; the UN Service Medal; the Presidential Unit Citation; the Sigmun Rhee Korean Presidential Citation; Outstanding Unit Citation (four times); and for the last nine years of his tour was Staff Officer, Strategic Air Command Headquarters.

He is the proud recipient of a new computer, a Father's Day present! He is on-line, and in contact with the National Veterans Committee chairmen. He has had valuable suggestions for the national program, such as volunteering in nursing homes where veterans reside, and encouraging reporting of points by every chapter.

We should all be cognizant and appreciative of the contributions some of our members make, sometimes silently and without fanfare.

Congratulations Compatriot Means from your fellow MOSSAR compatriots and thank you on behalf of the Veterans you and the other volunteers serve.

GENERAL WILLIAM C. WESTMORELAND AWARD – To the outstanding SAR Veterans Volunteer for service to Veterans; must be submitted to the NSSAR Veterans Committee by a State Society. David B. Means, M. Graham Clark Chapter, MOSSAR.

Veterans Affairs Volunteer Service—Harry S Truman Veterans Hospital

Veterans are very unique citizens. Entry into the Armed Forces, whether by choice or by draft, is a large change in a person's life. Most of the personal freedoms as an individual must be given up. No longer is there freedom of choice, what you will do or when you will do it. You give up your freedom to choose your work, your choice of food, the time when you will rest, the time you will rise, where you will go, and you must be willing to be placed in harms way, and if necessary, lose life or limb. There are times when federal prisoners have more comfort and food than those who have served and often our own government cannot and will not admit to what has occurred to the veteran. The public often does not care or want to know what is required of a veteran.

Siegfried Sassoon in "Long Journey" expresses it well with a short verse:

You smug-faced crowds with kindling eye, who cheer when soldier lads march by,
Sneak home and pray you'll never know, the hell where youth and laughter go.

The veteran has sacrificed his freedoms for the desires of his country. In so doing, the freedom of our country and others is ensured. It is putting service and others above self. A veteran in his service has shown a trait of love of country and all citizens far above those that only serve without the loss of personal freedoms.

There are approximately 25 million veterans in our country today. Veterans are a national treasure of individuals with the highest degree of love of country and others. They are the noble men and women who have given and protected the freedom of others at the sacrifice of their own freedoms.

It was Saturday night in a small Missouri town and close to the Fourth of July. A Veteran who had just returned from four years of fighting in the Pacific was crossing the street. Someone threw a firecracker near to him. When he saw the burning fuse, he threw himself to the pavement thinking it was a Japanese grenade.

The M. Graham Clark Chapter volunteered 3,721 hours at the VA Hospital, for the 12-month period ending March 31, 1998. It was a good year.

This story is told about a tough Air Force General Curtis LeMay and how he solved personnel problems. A Wing Commander was summoned to his office at SAC Headquarters; his Wing had failed an evaluation and had a couple of aircraft damaged in a hail storm. The Wing Commander stated: "Sir, it seems as if I have had some bad luck." General LeMay is said to have replied, "I can't tell the difference between bad luck and incompetence. You're fired."

Knowing your history

There is comfort in connecting to the past

ORAL HISTORY

"I would say that maybe as much as 75 percent of our membership has come into the Sons of the American Revolution on a revolutionary ancestor other than their own name. If you have more than one ancestor, then you get to put a star on your collar. You add stars for each other ancestor that you've proved that you're descended from. Well, in my family there's six, but there is nothing better than being able to document back to a person with your own name.

"It gives you an identity that you don't have otherwise. You know that you weren't laid out on a rock and hatched in the sun. You have a past, and the past leads to the future. Your children and grandchildren know that it didn't start with you or it didn't start with them. They know that they are from a long chain of people who may have been important in some different ways as part of our history. ...

"Our beginning was not 50 or 100 years ago. It was 250 years ago. It was our principles and our basic ideas held by those men and women involved in the Revolutionary War that we're benefiting from today. The Bill of Rights, the freedoms, the liberties, the independence that we have, all that has led to us being the greatest nation in the world. They take it for granted. You've got to be a responsible person to be eligible for these freedoms that you get. They don't come for free. ...

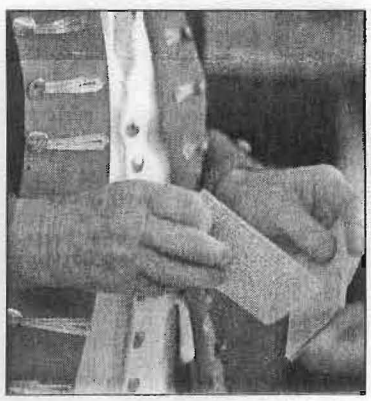

"The flag is what belongs to all of us, and the flag is what keeps us all together as one unit. Politicians come and go, but the flag stays. It's the one symbol that holds us all together as a union or as one people. Many races, many cultures, many languages. Though I still believe that we should have English as the primary language and not get involved with all of this 'multiple' business. ...

"History repeats itself. There's nothing new under the sun. I just made the point with my granddaughter. She's got some of these new oval glasses. Well look at the glasses that Benjamin Franklin wore. You go through all these styles of glasses, all these different sizes and shapes of glasses. Now we're back to where Benjamin Franklin had glasses. ...

I respect what the founding fathers did. Now I'm trying to live up to what they would have expected of me. I'm trying to be the good citizen that they want me to be. ...

"Columbia is where I knew I had to be. My ancestors were the first people to live here in central Missouri. For all these five generations before me, they liked it, they stayed here. They were all farmers. My grandchildren out there in Rocheport are the eighth continuous generation in central Missouri."

— Jamie Manfuso

Senate Vote Near On Flag Amendment

In early February Senate Judiciary Chairman Orrin Hatch (R-UT), a member of the SAR, and Senator Max Cleland (D-GA) introduced S.J. Res. 40, an Amendment to the United States Constitution that reportedly has a real chance of passing in the 105th Congress. The Amendment has 54 co-sponsors, including seven Democrats. In all, 64 Senators have pledged their support.

In a statement from the Citizens Flag Alliance – the National Society SAR is a member – Maj. Gen. Patrick Brady, Chairman of the organization's Board of Directors, stated: "There is no issue in America today that enjoys the bi-partisan support that flag protection does. The Supreme Court has forced the American people to accept flag desecration. The CFA is not trying to force the people to respect the flag. We are simply asking Congress to let the people decide."

In June of last year a Constitutional Amendment, H.J. Res. 54, easily passed in the United States House of Representatives by a vote of 310 to 114. The one sentence Amendment reads: Congress shall have power to prohibit the physical desecration of the flag of the United States.

Compatriots are encouraged to check on where their Senators stand on the issue. If they are co-sponsors, thank them and let them know how important their support it. Those not indicated as co-sponsors should hear from you with polite words of encouragement and the specific request to let the people decide, through the process of ratification, if their flag should be protected. The National Society, incidentally, is on record as strongly supporting an Amendment.

BY WORDS, THOUGHTS AND DEEDS

SOLDIERS, SAILORS, MERCHANTS, CHIEFS AND NO DOUBT A FEW BRANDED THIEVES.
FROM DISTANT SHORES WITH ODD BELIEFS. EACH A REBEL IN HIS TIME,
WITH FREEDOM ETCHED UPON THE MIND.
NO KNOWING WHAT THE TRUTH MIGHT BE, BUT ASKING FOR A CHANCE TO SEE,
THEY FORMED A ROYAL COLONY.
THUS, JAMESTOWN SOON WOULD GET ITS NAME,
AND CAPTAIN SMITH WOULD GAIN HIS FAME
THE STARVING TIME WOULD STAKE ITS CLAIM
UNDAUNTED WOULD THE PILGRIMS BE,
AS THEY FORMED ANOTHER COLONY.
AND SO FOR A HUNDRED YEARS AND MORE THE PILGRIMS LANDED ON THIS SHORE.
THE KING OF ENGLAND MADE IT KNOWN, THAT ALL THE SUBJECTS WERE HIS OWN.
TAXATION, RAMPANT THERE WOULD BE, THE TAX INCLUDING EVEN TEA.
AT FIRST IN SILENCE MEN WOULD BE TO TRY AND SHOW THEIR LOYALTY.
BUT MORE AND MORE MEN COULD SEE THE KING CARED NOT TO SET THEM FREE.
HE RULED WITH HEAVY HANDED FIST AND TO EACH DAY WAS ADDED RISK.
BY THE YEAR OF 1770 THE WORD WAS SIMPLY TYRANNY.
A DECISION NOW WOULD SOON BE MADE
EVEN THOUGH SOME SUBJECTS COULD NOT BE SWAYED.
THE PARTY STARTED IN '73 WHEN PATRIOTS DUMPED THE BOSTON TEA.
THERE WAS PATRICK HENRY IN '74 WHO SAID, "I'M NOT JUST A VIRGINIAN ANYMORE."
THERE WAS THE LIBERTY BELL AND THE LIBERTY TREE
AND A DECLARATION TO SET US FREE.
AND THERE WERE JUST PLAIN FOLKS LIKE YOU AND ME
WHO CALLED THEMSELVES, SONS OF LIBERTY.
PATRICK HENRY FIRED UP HIS SPEECH
AND REVEREND MUHLENBURG BEGAN TO PREACH.
THERE WAS LEXINGTON AND THE OLD NORTH CHURCH,
AND THE SHOT THAT MADE THE WHOLE WORLD LURCH.
OLD KING GEORGE CAME TUMBLING DOWN
AND THEY MADE LEAD BULLETS FROM HIS CROWN.
THOMAS PAINE HAD "COMMON SENSE," AND OLD BEN FRANKLIN MADE THEM WINCE.
"YANKEE DOODLE" BECAME OUR SONG, AND IN OUR EYES HE COULD DO NO WRONG.
"THESE ARE THE TIMES THAT TRY MEN'S SOULS,"
SAID THOMAS PAINE AS HIS FUROR ROSE.
BY '77 THERE WERE THE STARS AND STRIPES
THEN VALLEY FORGE WHERE WE SUFFERED SO
WHERE OUR NATION'S FATHER PRAYED IN THE SNOW.
IN '81 THE SURRENDER CAME AND AMERICANS WE WERE, ALL THE SAME.
OH, DEAR GOD, HELP OUR CHILDREN SEE
THAT THERE'S A PRECIOUS PRICE TO KEEP MEN FREE.
IF "GOALS TWO THOUSAND" THERE MUST BE
THEN LET THE NEXT REVOLUTION BEGIN WITH ME.
FOR THE NEXT 200 YEARS OR MORE NONE CAN PREDICT WHAT'S IN STORE.
BUT IF BY WORDS OR THOUGHTS OR DEEDS,
DEAR GOD, DON'T LET FREEDOM END WITH ME.

NEWS:

On March 15, 2001, the Chapter as well as all of the Compatriots of the Sons of the American Revolution, was saddened to learn of the passing of Dr. M. Graham Clark, Jr. COM Clark was extremely instrumental in the founding of our Chapter, and so our Chapter is named in his honor.

The following is found on our Chapter website, mgcsar.org:

Montague Graham Clark, Jr. (25 February 1909-15 March 2001) was an educator who played an integral role in the development of College of the Ozarks. Dr. Clark served as president of School of the Ozarks and was president emeritus and chairman of the board emeritus of College of the Ozarks until 2001. He served as vice-president of the school from 1946-1952 and then as president until 1981.

Clark, who was born in Charlotte, North Carolina, attended the Georgia Institute of Technology and held five doctoral degrees. He married Elizabeth Sherman Hoyt in May 1933. Before working in the college, he was in the insurance industry and vice-president of W.R. Hoyt and Company. Clark was a flying enthusiast who would travel the country seeking donations for school advancements, improvements, and construction projects. The airport at College of the Ozarks is named after him.

Clark received many honors and awards, including the Shrine Civic Service Award; the Family Foundation "In God We Trust" Family Award; and the General Washington Honor Medal, from the Freedom Foundation at Valley Forge in 1974 and 1978.

Clark was elected President General of the Sons of the American Revolution in 1974. The M. Graham Clark Chapter of the Sons of the American Revolution, Columbia, MO; is named in honor of Dr. Clark. The chapter website is http://www.mgcsar.org .

Clark was an ordained minister. A few years before his death, he required surgery to remove an eye and a cancerous growth. The hospital told him the night before his scheduled surgery, that the hospital chaplain would like to speak with him. Dr. Clark replied; "Certainly, I have some time and I will help him as much as I can".

Dr. M. Graham Clark died at the age of 92. He was buried in Ozarks Memorial Park Cemetery in Branson, Missouri.

In 1908, the United States Senate passed a bill to aid in the erection of a monument at Point Pleasant. Located in the southern end of the town of Point Pleasant, Battle Monument State Park commemorates the Battle of the Revolution fought between Colonial troops and Indians, on October 10, 1774. The park's centerpiece is an 84-foot granite obelisk that honors the Virginia militiamen who gave their lives during the battle, while the statue of a frontiersman stands at the base. Smaller memorial tablets in the park are dedicated to Cornstalk and to "Mad" Anne Bailey, whose mad exploits in thwarting the Indians earned her the nickname.

BATTLE DAYS

Celebrating the first battle of the American Revolution

The first full weekend in October in Point Pleasant, West Virginia.

B)

Started in 1992, Battle Days is a nationally known festival that has grown in popularity every year. Battle Days, held the first weekend in October, commemorates the first battle of the American Revolution. On October 10, 1774 a total of 1,100 Virginia militiamen defeated Indian forces led by the Shawnee Chieftan Cornstalk. The battle prevented an Indian alliance with the British, which could have altered the outcome of the American Revolution.

Visitors come from all over the United States to participate in the festival. Historical re-enactors, sutlers, and crafters don their period clothing and step back in history to the time of the 1770's.

The Heritage Queen Pageant honors one of the senior women in the area.

Located in the park is Mansion House. Erected in 1796 as a tavern, it is the oldest hewn log house in the Kanawha Valley. Preserved as a museum it features displays of antiques and heirlooms of the era.

An array of cultural activities awaits the whole family when they attend Battle Days in Point Pleasant, West Virginia.

Events:

- Parade • Encampment • Ox roast
- Colonial Ball • Bean dinner
- Lantern tour to meet historical characters
- Craft demonstrations • Art show
- Sutlers • And much more for the entire family to enjoy!

Visitors who participate in this living history event will feel like they have stepped back into the colonial period.

The weekend's activities conclude on Sunday with a memorial service to honor those who gave their lives at the Battle of Point Pleasant. In 1908, Congress recognized that Point Pleasant was the site of a significant battle of the American Revolution.

The juried Art Show is open to all adu artists, both professional and amateur.

Point Pleasant Battle Monument State Pa is open year-round, and the museum is op from May through October. For mo information on lodging and itinera planning call ***(304) 675-3844.***

The Legacy

The will of George Washington left the bulk of his wealth to his wife, Martha, and he had two step-children, but no descendants. Yet to all of us he left a legacy beyond material bequests. As the "Father of Our Country" he became the symbol of a great presidency, and bestowed upon us a nation devoted to freedom and democracy. We still measure our country by the example he established.

PLEDGE OF ALLEGIANCE

I pledge allegiance to the Flag of the United States of America and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all.

PLEDGE TO THE SAR

We, the descendants of the heroes of the American Revolution, who, by their sacrifices, established the United States of America, reaffirm our faith in the principles of liberty and our Constitutional Republic, and solemnly pledge ourselves to defend them against every foe.

RECESSIONAL

Until we meet again, let us remember our obligations to our forefathers, who gave us our Constitution, the Bill of Rights, an independent Supreme Court, and a Nation of Free Men.

Dedicated to Preserving
the Principles of our
Founding Fathers

The Compatriots of the M. Graham Clark Chapter of the Sons of the American Revolution are dedicated to ensure that the principles of our founding fathers are maintained and that our next generation is made aware of our ancestral sacrifices. As a chapter, we meet once a month to share what activities Compatriots participated in, refresh our acquaintance during a meal and then have a speaker present a program to enhance our knowledge of history past.

Between meetings, the Compatriots participate in various activities that recognize veterans, promote genealogical studies, provide speakers to schools, participate in ceremonies and parades and encourage student participation in SAR contests that promote American Revolutionary War History.

We welcome and encourage men who can document their lineage to join us in our endeavors. If you need assistance in the process, please call any of the members listed.

Danita Allen

Danita Allen is the Meredith Chair for Service Journalism at the University of Missouri School of Journalism and the Editor-In-Chief of Missouri Life magazine, a private venture. She and her husband launched this bimonthly state magazine in 1999.

Before she began teaching in 1995, she spent 15 years with Meredith Corporation, the publisher of *Better Homes & Gardens, Ladies Home Journal, Midwest Living, Country Home, Traditional Home, Wood,* and several other magazines. While there, she was on the staff of *Successful Farming,* where she received several national writing awards. She then became the founding editor of *Country America*, which made it No. 76 on the 100 largest magazines at the time, and it was named one of the five best magazines of 1991 and made the list of the ten hottest magazines for three years in a row in the early 1990s while she was editor.

At the School of Journalism, she teaches magazine editing, publishing and writing classes.

She has three children and also enjoys gardening and horseback riding on their small farm.

Rock Ford: a Continental Congressman's manor

Edward Hand was 23 years old and recently graduated from medical school in Dublin when he arrived in America in 1767. After seven years with the 18th Royal Regiment of Foot, he resigned in 1774 to settle in Lancaster, Pa., where he hoped to practice medicine and surgery. Within a year the Revolution had drawn him back into military life, this time as an officer with the Pennsylvania Rifle Battalion. The young Irish physician was to serve his adopted country for 25 years, becoming Adjutant General of its army and a member of both the Pennsylvania Assembly and the Continental Congress. Rock Ford Plantation, his Lancaster home, reflects the ease and comfort that befitted a post-Revolutionary statesman.

Hand built his Georgian house at Rock Ford in 1792. Situated between downtown Lancaster and the Conestoga River, it has 18"-thick walls of local brick lined with stone and plaster. The original stairs, floors, woodwork, and window glass are still intact; the furnishings, including a few Hand family heirlooms, have been acquired to match descriptions in the general's household inventory. Rock Ford Plantation is open to the public from 10 to 4 Monday through Saturday and noon to 4 on Sunday, April to November.

Ashland man selected as Sons of American Revolution president

On Saturday, March 13, Bryan P. Bradford, 33, of Ashland, was installed as President of the M. Graham Clark Chapter of the Sons of the American Revolution, in Columbia.

"The basic tenets of the Sons of the American Revolution are to perpetuate the people and events of the Revolution, to maintain the institutions of American Freedom, and to promote fellowship among the descendants of Revolutionary War patriots," Bradford said. The Columbia chapter participates in school functions, community events and gives talks at schools, organizations and family gatherings. The organization offers scholarships for high school juniors and seniors and gives awards to boy scouts, women of the year, law enforcement and good citizenship.

Bryan Bradford

The chapter also gives out Flag Certificates to those who properly display the American flag. "Your flag needs to be put up and taken down every day," Bradford said. "If it is one that stays outside all the time, it needs a light to shine on it at night."

Bradford, who said that he is probably the youngest president the Columbia chapter has had, has also served as Asst. State Vice President for the state of Kansas, and was the President for the Hutchinson, Ks., chapter.

Bradford is also a genealogist, offering help to families who are researching to find out if they are eligible for membership in SAR.

The Columbia chapter meets September-May, every second Saturday of the month at the Lenior Community Center at 8 a.m., for $7 per person. The website for the organization is www.sar.org.

Evening Highlights

Period Music – Jefferson played the violin and his wife, Martha, was noted for her harpsichord playing

Menu was selected from Jefferson's private cookbook

Jefferson introduced round dining room tables. That way all guests were equal because there was no head or foot of the table.

Each course will be presented to the head table as was customary during Jefferson's administration.

The invitations were replicated invitations of the 1804 era.

Empire styled clothing was popular for women thanks to the influence of French Empress Josephine Bonaparte. This style is characterized by a high bodice, low neckline and short sleeves.

The nickels attached to the place cards are favors for guests to take home and are the new Louisiana Purchase nickels. The design is the obverse of the Peace Medal carried by Lewis and Clark as gifts to Native American tribes.

Thomas Jefferson loved to decorate with garden themes for galas. He used botanical specimens from his own estate.

America isn't winning hearts and minds

By WAYNE ANDERSON

At a July meeting in Amman, Jordan, a team from the University of Missouri International Center for Psychosocial Trauma was exposed to strong anti-American feelings.

Anderson

The team, led by child psychiatrist Arshad Husain, first took part in a five-day program presented for doctors from Iraq, who interacted quietly and carefully. Immediately after this training program, the Federation of the Islamic Medical Association held its biannual convention with 500 physicians from 56 countries.

At this convention, Husain gave two keynote speeches, one on "Spirituality and the Mental Health Treatment of Post-Traumatic Stress Disorder" and one a dinner talk to the Jordanian Medical Association on "Trauma: Resiliency and Recovery, Lessons from War Zones." Emotions in the audience caused by the latter speech reached such a peak that the dinner's host grew concerned about the team's welfare. As a precaution, the team was taken away immediately after Husain's talk and before the dinner.

Husain noted in his talk that when the team worked in Bosnia, as mental health professionals treated victims of post-traumatic stress they referred to "aggressors," not Serbs. The intent was to break the cycle of ethnic hatred. They taught children not to think in terms of revenge but in terms of forgiveness. Experience there and elsewhere has shown that focus on revenge makes it difficult for children to recover from trauma. Since 1996 there has been a marked increase in the number of studies on the positive effects of forgiveness as a coping strategy to reduce stressful reactions to trauma. Husain, in his talks, emphasized that professionals should focus on healing the trauma, which is aided by this forgiveness approach.

Husain reminded the audience that Muslims are enjoined by the Quran to pardon and forgive those who harm them. Believers are also guided by stories of how the Prophet Muhammad forgave the killers of his uncle and, after being stoned, rejected the angel Gabriel's offer to "cause the mountains to crumble" on his persecutors. Instead, he asked, "May it please your Lord to forgive my people, for they do not know." Husain's approach to use therapy that stresses forgiveness elicited a strong negative reaction from the Muslim doctors.

The professionals in his audience from Palestinian areas and Jordan in particular found this approach to treatment difficult to accept. Their question was: "Do you expect us to teach forgiveness for people who have turned our homes into concentration camps?" They disagreed strongly with the idea of not taking revenge, feeling that it is revenge that makes them able to keep defending themselves and to keep fighting back. The Quran also says, "We ordained therein for them life for life, eye for eye, tooth for tooth, and wounds equal for equal."

This discussion of forgiveness and revenge led to the participants verbally attacking Americans. There were widespread feelings among these Muslim physicians that bad things are happening to their people because Americans as individuals don't care about the death and destruction of Muslim children and Muslim people. They felt it was necessary to explain to their children who the bad people are, and the reality is that those bad people are Americans.

This attack on Americans as individuals was a change from previous trips the team has made. Before, participants talked negatively about the U.S. government; now they were directing their hostility and anger toward the American people.

In other sessions of the convention, Husain reported, when a speaker would make some comment to the effect that Americans were killing Muslims all over the world, there would be much applause from the audience.

Our government officials telling the world that we are in Iraq and Afghanistan to give the people freedom and to provide them a chance at a better life is not accepted as true in these Muslim countries. They see the war in Iraq as a direct attempt to destroy Iraq's infrastructure and to seize control of the area for our own purposes and to ensure that we have a steady supply of oil.

The feeling of the audience of professionals from Islamic countries was that the American people are responsible because they allow their government to do these things.

Wayne Anderson is an emeritus MU professor of psychology.

Dear Compatriot Cunningham:

Seldom do I have the honor and opportunity to write a Compatriot whose dedication to serving our Society and promoting our principles, especially to Veterans, is afforded.

Upon reviewing your many accomplishments, it is found that you have attended some forty-five (45) funerals and participated in eulogies, comforting families and representing with honor and dignity the National Society Sons of the American Revolution.

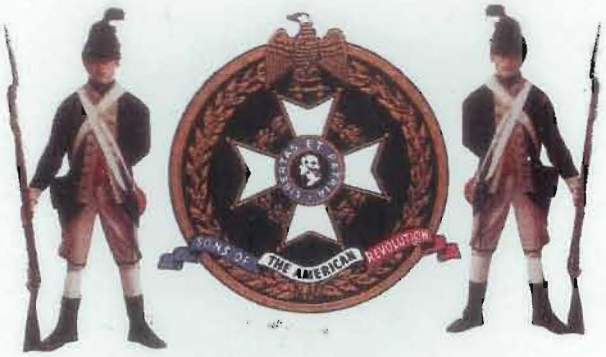

May you have Godspeed in assisting and curing your infirmities and may you be forever remindful that the National Society Sons of the American Revolution honor you, Sir, for your dedicated effort for the purposes of freedom and liberty.

Most sincerely,

PLEDGE OF ALLEGIANCE

" I pledge allegiance to the flag of the United States of America and to the Republic for which it stands. One nation under God indivisible, with liberty and justice for all."

THE STAR SPANGLED BANNER

O! say can you see by the dawn's early light
What so proudly we hail'd at the twilight's last gleaming,
Whose broad stripes and bright stars through the perilous fight,
O'er the ramparts we watched were so gallantly streaming?
And the rockets red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there:
O! say does that Star-Spangled Banner yet wave
O'er the land of the free and the home of the brave?

My Country 'tis of Thee

My country 'tis of thee, sweet land of liberty, of thee I sing:
Land where my father's died, land of the pilgrim's pride,
From every mountain-side let freedom ring!

* * *

My native country thee, land of the noble free,
thy name I love:
I love thy rocks and rills, thy woods and templed hills;
My heart with rapture thrills like that above.

* * *

Let music swell the breeze, and ring from all the trees,
sweet freedom's song:
Let mortal tongues awake; Let all that breathe partake:
Let rocks their silence break, the sound prolong.

* * *

Our Father's god to thee, author of liberty, to thee we sing:
Long may our land be bright with freedom's holy light;
Protect us by thy might, great God, our King!

God Bless America

God bless America, land that I love;

Stand beside her, and guide her
through the night with the light from above.

From the mountains, to the prairies,
to the oceans white with foam;

God bless America, my home sweet home!

God bless America, my home sweet home!

The Star-Spangled Banner

Oh say can you see, by the dawn's early light
What so proudly we hailed, at the twilight's last gleaming,
Whose broad stripes & bright stars, through the perilous fight,
O'er the ramparts we watched, were so gallantly streaming?
And the rockets red glare, the bombs bursting in air
Gave proof through the night that our flag was still there.
O say does that Star-Spangled Banner yet wave
O'er the land of the free and the home of the brave?

* * *

V 3

And where is that band who so hauntingly swore
That the havoc of war and the battle's confusion
A home and country, shall leave us no more?
Their blood has washed out their foul footsteps' pollution
No refuge could save the hireling and slave
From the terror of flight or the gloom of the grave.
and the Star-Spangled Banner in triumph doth wave
O'er the land of the free and the home of the brave.

* * *

V 4

Oh thus be it e'er when free men shall stand
Between their lov'd homes and war's desolation!
Blest with vict'ry and peace, may the heav'n rescued land
Praise the Pow'r that has made and presrv'd us a nation
and conquer we must, when our cause is just
And this be our motto: "In God is our trust."
And the Star-Spangled Banner in triumph shall wave
O'er the land of the free and the home of the brave.

The Pledge Protection Act

I believe that the central ideas of America's founding are summarized in the second paragraph of our Declaration of Independence, which states: "We hold these truths to be self-evident, that all men are created equal, and that they are endowed by their Creator with certain unalienable rights, that among these are life, liberty and the pursuit of happiness...."

Note the formula: 1) There is a God. 2) God grants rights to mankind. 3) The purpose of government is to protect these rights.

More than a year ago the 9th Circuit Court from the Left Coast decided that the words "under God" were unconstitutional in the Pledge. The Supreme Court heard the case earlier this year and issued their ruling June 14, 2004. The Court postponed making a decision before the election by denying standing. Two things are clear, first, it is only a matter of time before a similar case comes back to the Court. Second, the Court will declare the Pledge unconstitutional.

Many despair because the raw abuse of judicial power seems unstoppable, but the Constitution provides tools to rein in the Courts. We introduced HR 2028 based on Article III Section 2. This one-sentence bill removes the Jurisdiction of the Courts to hear any case which claims the Pledge to be unconstitutional. The bill has 223 co-sponsors, more than enough to pass.

It is finally time for the Congress to stand up to the judges who insist on legislating from the bench. No American is forced to say the Pledge. Nor is any child compelled to use "under God."

But to rule that Americans can not say "under God" is a denial of free speech, a denial of religious expression, and, in a most fundamental sense, a denial of the basic formula for which generations of Americans have fought and died.

"... God who gave us life gave us liberty. Can the liberties of a nation be secure when we have removed a conviction that these liberties are the gift of God?" - Thomas Jefferson

There are different ways to defend America. Our strong young soldiers on the field of battle give their best. You and I are also called to defend America because we are citizens and co-owners in this great "franchise of freedom," but with ownership comes responsibility. We are summoned by the Spirit that has inspired our forefathers as He glides across the silent recesses of our conscience where a gentle touch bids us "Rise, O Patriot, your nation calls."

W. Todd Akin

US Congressman - MO District 02

America the Beautiful

O beautiful for spacious skies,
for amber waves of grain,
for purple mountain majesties,
above the fruited plain!
America! America! God shed his grace on thee,
and crown thy good with brotherhood,
from sea to shining sea.

* * *

O beautiful for pilgrim feet,
whose stern impassioned stress.
A thorough-fare for freedom beat
across the wilderness!
America! America! God mend thine every flaw,
thy liberty in law.

* * *

O beautiful for heroes proved,
in liberating strife,
Who more than self, their country loved,
and mercy more than life!
America! America! May god thy gold refine.
Till all success be nobleness,
and every gain divine.

* * *

O beautiful for patriot dream
that sees beyond the years,
Thine alabaster cities gleam,
undimmed by human tears!
America! America! God shed his grace on thee,
And crown thy good with brotherhood
from sea to shining sea!

In 1908, the United States Senate passed a bill to aid in the erection of a monument at Point Pleasant. Located in the southern end of the town of Point Pleasant, Battle Monument State Park commemorates the Battle of the Revolution fought between Colonial troops and Indians, on October 10, 1774. The park's centerpiece is an 84-foot granite obelisk that honors the Virginia militiamen who gave their lives during the battle, while the statue of a frontiersman stands at the base. Smaller memorial tablets in the park are dedicated to Cornstalk and to "Mad" Anne Bailey, whose mad exploits in thwarting the Indians earned her the nickname.

BATTLE OF FORT SAN CARLOS

An American Revolutionary
war battle
fought in St. Louis
May 26, 1780

ATTACK ON ST. LOUIS
MAY 26, 1780

In July 1779, Spain joined the Revolutionary War against Great Britian. Spanish colonial officials had begun aiding the American reb even before declaration of war. Weeks before British officials in Canada received orders to launch expeditions against Spanish settlements on the Mississippi River and drive out the rebels led by George Rogers Clark. By early 1780 a large force of Indians, fur traders, and seasoned troops under British command were heading south toward S Louis.

News of the movements reached Don Fernando De Leyba who understood that the open prairie to the west and north of the village w vulnerable to attack. In an effort to fortify the village, he collected money from the villagers, added his own, and with volunteer labor bui a stone tower. It stood at what is now the intersection of Fourth and Walnut streets.

Technically the "fort" was a cavalier, an elevated artillery platform. The tower was unfinished when it came under attack on May 26, 1780. The Spanish managed to arm the tower with cannons dragged from an abandoned fort built years before on the Missouri River. The workers also dug a mile-long trench from each side of the tower to the riverbank.

The attackers encountered the tower and nearly 200 armed defenders who had rushed to the trench when the alarm sounded. The assault force surprised several dozen villagers at work in the fields, killing 21 and capturing seventy. De Leyba held his force in the trench despite Indian efforts to lure them into the open by butchering captives within earshot of the village. Cannon fire from the tower convinced the attackers to withdraw; the British western campaign collapsed. The village never had to withstand another assault and the Spanish military installations quickly deteriorated. By the time the United States took possession of St. Louis in 1804, all the Spanish fortifications lay in ruins.

Pledge of Allegiance

I pledge allegiance to the flag
of the United States of America
and to the Republic for which it stands,
one nation under God,
indivisible,
with liberty
and justice for all.

Pledge to the SAR

We, descendants of the heroes
of the American Revolution,
who by their sacrifices
established the United States of America,
ffirm our faith in the principals of liberty and
our Constitutional Republic,
ıd solemnly pledge ourselves to defend them
against every foe.

SAR Recessional

Until we meet again,
Let us remember our obligations
to our forefathers,
who gave us our Constitution,
the Bill of Rights,
an independent Supreme Court
and a Nation of Free Men.

The Star Spangled Banner

Oh, say, can you see,
by the dawn's early light,

What so proudly we hail'd
at the twilight's last gleaming?

Whose broad stripes and bright stars,
thro' the perilous fight,

O'er the ramparts we watch'd,
were so gallantly streaming?

And the rockets' red glare,
the bombs bursting in air,

Gave proof thro' the night
that our flag was still there.

O say, does that star-spangled
banner yet wave

O'er the land of the free and
the home of the brave?

Composed by Francis Scott Key, "In Defense of Fort McHenry", September 20, 1814. Congress proclaimed it the U.S. National Anthem in 1931.

MOSSAR
President
Bob E. Comer
Christopher Casey Chapter

Bob was born 28 October 1936 in Jefferson City, Missouri, to Louis B. and Mary K. Lampson Comer. As a youth he lived in Jefferson City and Excelsior Morgan County, Missouri. At the age of 14 his parents moved to Overland Park, Kansas. Bob received a BS degree in Mechanical Engineering in December 1960 from the University of Kansas.

After graduation he accepted an engineering position with General Services in Kansas City, where he met Sandra K. Ball. They were married at the Christian Church on the Plaza in Kansas City in 1962. The have two sons and four grandchildren

After four years at GSA, the family moved to Los Alamos, New Mexico, where he was employed at Los Alamos Laboratory. He had a challenging career as a professional mechanical engineer and later as project manager and engineering group manager. In January 1990 Bob retired and moved to the family farm in Morgan County, Missouri. The farm has been in the Comer family since 1877 and was designated a Missouri Century Farm in 1992.

Bob and Sandra are members of the Christian Congregation of the Hopewell Union Church, where he serves as Trustee and Treasure. He serves on the board of the Hopewell Cemetery Association and is a member of the Morgan County and Cooper County Historical Societies.

Family history has always been important to Bob, but he didn't begin to research his ancestors until he retired. Sandra learned from her family that there were Comers in her ancestry, so they decided to research to find if they were cousins. Sandra found that her Comer ancestor came to Virginia in the early 1700's from Germany. Research showed that Bob's Comer ancestors came to New England in the 1600's from England. So, if they are related, they are very distant cousins, indeed. While doing research Sandra learned that her ancestor Augustine Comer was in the American Revolution. This inspired Bob to want to find a Revolution War Patriot in his ancestry.

On Compatriot Comer's six proven Patriots, five were soldiers: Lt. Robert McFarlane I, Col. Robert McFarland II, Pvt. Lewis Hale served in the Virginia Militia, Pvt. Hugh Larrimore and Capt. Robert McClain served in the North Carolina Militia. They mainly fought the Tories and Indians., and McFarlane I, Hale and Larrimore are listed in *"The Overmountain Men"* by Pat Alderman as being in the battle of Kings Mountain. The sixth Patriot was John McFarlane who provided public service in Virginia.

Bob joined the Christopher Casey MOSSAR Chapter in March 1999. He has served as Vice President and President of the Chapter. He has served as MOSSAR Genealogist for three years, First Vice President, Executive Vice President before serving as State President and Alternate Trustee. Bob has placed wreaths on behalf of the MOSSAR during anniversary ceremonies at Kings Mountain and Cowpens Battlefields. He has been present the CAR Medal of Appreciation, Liberty Medal with one Oak Leaf Cluster and Meritorious Service Medal. He is a contributor to the Center for Advancing American's Heritage.

Sandra is a member of the Eldon DAR Society and is currently serving as DAR State Librarian. She was the Organizing President of the MOSSAR Ladies Auxiliary, and she has received the honor of being the MOSSAR "Woman of the Year" in 2003. She has been presented the Martha Washington, SAR Appreciation and Daughters of Liberty medals for her support of MOSSAR. Their four grandchildren, Jason, Samantha, Adaya and Jessee, are members of the Col. Hugh Crockett Society, Children of the American Revolution. Bob and Sandra enjoy genealogy research, visiting home places of the ancestors and visiting Revolutionary War battle sites.

HISTORY OF HANNAH COLE CHAPTER

The Hannah Cole Chapter was organized under the name of Jemima Alexander Sharpe, in honor of the Revolutionary ancestor of the first regent, Mrs. Jennie D. Andrews. The date of organization was June 17, 1906.

The chapter began planning monthly programs with historical, educational and patriotic themes in keeping with the three main objective of the NSDAR. Their first projects included a Martha Washington Tea that realized thirteen dollars which was sent to Continental Hall. They also raised $50.00 to keep a boy in the W.C.T.U. Settlement School at Hindman.

During World War I, the chapter did a great deal of sewing, knitting, making surgical dressings, comfort kits and Christmas boxes for servicemen. They also contributed to a state DAR fund to put an ambulance in the field during the war; to the Tilloloy Waterworks Fund in France and to support two French orphans after the war.

In April 1916, the chapter's name was changed to the Cooper County Chapter. Plans were made for a Santa Fe Trail marker and a sundial to be placed on the courthouse lawn. On Flag Day, June 14, 1921, the sundial was unveiled and dedicated. The sundial still stands on the lawn near the southwest corner of the Cooper County Courthouse.

In 1932, the name of the chapter was changed to the Hannah Cole Chapter, in honor of Hannah Cole, the first white woman to settle in Cooper County. In the fall of 1932 a granite boulder monument was placed at her grave located in Briscoe Cemetery, 12 miles south of Boonville on Highway #5.

During the 1940's the chapter presented American flags to Sumner School and the High School. During WW II, all members were engaged in some type of National Defense work. The chapter presented a bronze plaque commemorating all Revolutionary Soldiers buried in Cooper County to the Cooper County Court in the early 1950's. In 1956 the chapter observed its 50th anniversary and honored charter members Mrs. A.M. Hitch and Mrs. J. M. Williams.

During the 1970's several members were instrumental in the formation of the Friends of Historic Boonville and were active in other area historical groups. June 1976 the chapter celebrated 70 years as a chapter. September 1983 chapter members participated in the dedication ceremony of the new MSSDAR Head-quarters at Roslyn Heights in Boonville. In 1993 the chapter honored its first 50 year member, Mildred Louise Moore Gingrich. In 1991 the chapter participated in the rededication of the Santa Fe Trail sundial on the lawn of the Cooper County Courthouse. The chapter started the tradition of placing a wreath at Hannah Cole's grave in 1992.

As Hannah Cole Chapter celebrates 100 years of service, we continue to uphold the objectives of the NSDAR. Recent accomplishments include a Patriots' Day Program and a Thomas Jefferson dinner to raise funds for the Hannah Cole Statue. Members coordinate a Veterans' Day Program for the Cooper County area, established a scholarship for students in Cooper County, and sponsor an annual Genealogy Workshop. ~~~~~

About Peter Cockrell of Virginia

Peter Cockrell was born in 1758 in Northumberland County, Virginia, the son of Presley and Sarah (Ball) Cockrell. In 1776, at the age of 18, he enlisted in the Continental Army and was assigned to Captain Thomas Gaskins' company. He later joined the Fifth Virginia Regiment commanded by Colonel Josiah Parker. During his service he would be promoted to Corporal.

Peter would re-enlist twice and serve eight years in the fight for America's independence. In his 1818 petition for a pension for his service, he noted the following major battles in which he fought:

Battle of Princeton, January 1777
Battle of Brandywine Creek, September 1777
Battle of Germantown, October 1777
Battle of Monmouth, June 1778

His last major battle would be the Battle of Charleston, SC, on 12 May 1780. Peter would be captured by the British and held on a prison ship, The Repulse 64, for three years.

When peace was finally declared he was released from the ship in Portsmouth, England. He was on his own to make his way back to the United States.

Back in Northumberland County, Peter Cockrell in 1785 married Sarah "Ailcie" Smithers, daughter of John and Lucy (Carter) Smithers. Peter and his family would move to Berkeley County, Virginia, and then Bourbon County, Kentucky, by 1810.

The daughters of Peter Cockrell married into the Kentucky families of Walker, Boatman, Johnson and Rubey. Those families, along with Peter's son, Peter Ball Cockrell, would be among the early settlers of Cooper County, arriving between 1818 and 1824 and settling in Clear Creek Township.

In 1824, Winston and Polly (Rubey) Walker set aside 1 ½ acres of land for a log church and cemetery, which today is the Pleasant Green Methodist Church and Cemetery. Winston and Polly Walker, Winston's son Samuel and Nancy (Cockrell) Walker, Peter Ball and Sallie (Steele) Cockrell and Laben and Lucy (Cockrell) Johnson are listed as charter members.

Peter and Sarah Cockrell would join their children by 1826 in Cooper County. Peter died in 1834; Sarah died in 1836.

Dear Mr. DeVenney:

We invite your organization to once again join in the Memorial Day tradition of honoring those veterans who gave their lives in military service to our country. Like last year, the ceremony will be held at approximately 11:15 a.m., right after the Memorial Day Parade, Monday, May 28, 2007.

Memorial activities will be completed by 12:00 p.m. in order to permit maximum travel time for our out-of-town guests and family time for local attendees.

Traditionally, your organization has demonstrated its patriotism by placing a beautiful wreath at the monuments as an expression of gratitude and respect for over 225 Boone County veterans who gave their lives in protecting the freedoms we continue to enjoy. Again this year, in order to complete the ceremony by 12:00 p.m., we encourage as many of the fifty-plus participating organizations as possible to volunteer to place their wreaths around the Memorials in advance of the ceremony. We will conduct an abbreviated wreath-laying of approximately 12 wreaths by organizations who indicate a desire to do so and are selected to participate. With perhaps two or three exceptions, these 12 organizations will be selected in advance by a drawing. Organizations selected in the drawing will be notified by telephone. If your organization is not notified that you have been selected in the drawing to participate in the 11:15 a.m. wreath-laying, please place your wreath at the courthouse Memorials no later than 10:45 a.m.

As in previous years, every organization that registers to provide a wreath will be listed alphabetically in our program. Uniformed veterans and ROTC cadets will be available to receive your wreath beginning at 8:00 a.m.

Since many family members of the Boone County veterans whose names are engraved on the monuments, as well as other patriotic persons, will want to linger in prayerful memory, we respectfully ask that no wreaths be taken from the area until after 3:00 p.m.

In order that we may correctly list the name of your organization on the program, as well as establish next year's contact, please take a moment and fill out the enclosed information sheet. Kindly mail or FAX it to me before May 18, 2007. Should you have questions contact me or Gary Oedewaldt, LTC USA (Ret.), at the phone and FAX numbers below.

Thank you very much.

Sincerely,

Mike Randerson

THE PLEDGE OF ALLEGIANCE TO THE FLAG OF THE UNITED STATES OF AMERICA

I pledge allegiance to the Flag of the United States of America and to the republic for which it stands, one Nation under God, indivisible, with liberty and justice for all.

Francis Bellamy

THE AMERICA'S CREED

I believe in the United States of America as a Government of the people, by the people, for the people, whose just powers are derived from the consent of the government: a democracy in a republic, a sovereign nation of many sovereign States; a perfect union, one and inseparable; established upon those principles of freedom, equality, justice, and humanity for which American patriots sacrificed their lives and fortunes.

I therefore believe it is my duty to my county to love it; to support its Constitution; to obey its laws; to respect its Flag and to defend it against all enemies.

William Taylor Page

PREAMBLE TO THE CONSTITUTION

We, the people of the United States, in order to form a more perfect union, establish justice, insure domestic tranquility, provide for the common defense, promote the general welfare, and secure the blessings of liberty to ourselves and our posterity, do ordain and establish this Constitution for the United States of America.

JAMES KELLY

James Kelly's application for Revolutionary War Pension states he was born in Ireland in August 1756. He sailed to America in 1773 and lived in Greenbrier County, Virginia. James Kelly signed the Oath of Allegiance in September 1777 and joined the Virginia Militia. He served from 1777-1781.

James Kelly and Nancy Agness Caperton were married on the 7th of February 1782. Nancy's parents were John Caperton and Mary "Polly" Thompson.

The Kelly's migration to Missouri was through Kentucky and then Tennessee and arrived in Cooper County in 1818. They settled around Bunceton, Missouri in a little settlement called Dublin. They lived on 113 acre farm from 1818 to May of 1841. Their last move was made to Moniteau County just South of California on 87 highway to a 200 acres James Kelly purchased from Joseph Russell in May of 1841. James was a farmer, records showed he had purchased corn the year before he died and there was live-stock listed in his Last Will And Testament.

James and Nancy were members of the Baptist Church. In Missouri they first belonged to Old Nebo Baptist Church in Cooper County, transferring their membership to Pisgah Baptist church in 1837, then on 14 of September 1841 with the move to Moniteau County, they joined Mt. Gilead Baptist Church (now First Baptist Church of California, MO). Two of their children were active in this church, David & Lucy Peters and David & Mourning Johnson. David W. Johnson was a Baptist Clergyman. David D. Peters was a Trustee and gave land for the church location at the time.

We know by the estate of James Kelly, there were 12 living heirs: Susanna Kelly Estes, Mourning Kelly Johnson, Sarah Kelly Challis, Esther Kelly Cox, Nancy Kelly Rochester, Elizabeth Kelly Woods, Lucy Kelly Peters, John Kelly, William J. Kelly, Caperton J. Kelly, Thompson J. Kelly, and Williams Kelly. There is some proof of a son named James Kelly.

According to court records and their Administrator David W. Johnson, James Kelly died 3rd of January 1843 and Nancy Kelly died around the 1st of August 1843.

A Christmas Message From Our President

As we gather with friends and families during the Holiday Seasons of Thanksgiving and Christmas – a time of joy, friendship, warmth and love - let us look back to those six months between December 19th, 1777 to June 19th, 1778. Valley Forge, Pennsylvania and let us remember those 11,000 Patriots - hungry, mostly untrained, poorly clothed, yet, devoted to their General George Washington and his Officers.

WASHINGTON REVIEWING HIS ARMY AT VALLEY FORGE

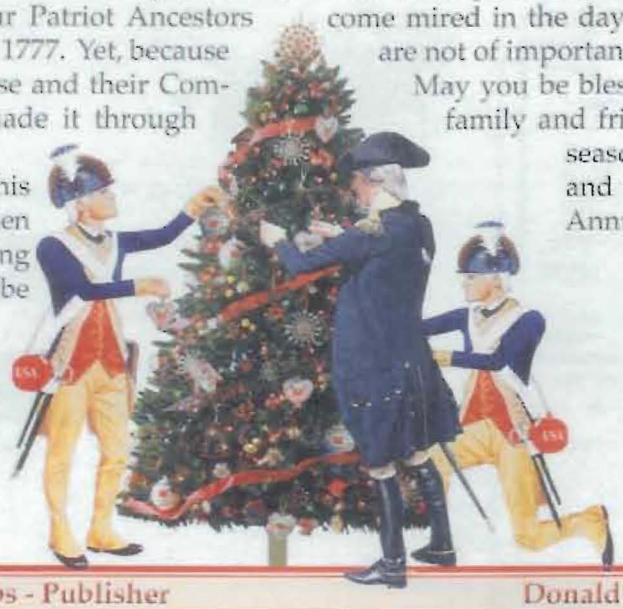

It is difficult to imagine the hardships, the cold, and the sacrifices that our Patriot Ancestors made during the winter of 1777. Yet, because they believed in their cause and their Compatriots, 8,500 soldiers made it through those terrible months.

Let us pause during this season to remember those men and women who are serving our country today – maybe not at Valley Forge, but certainly lonely, away from their families and friends and facing a deadly foe. Their sacrifices today are really no different than our ancestors faced 230 years ago. They prevailed then, and they will prevail now. Take the time to remember them in your prayers. They are the real Patriots of today.

These Holidays are times of remembrance, times to step back and think of others. Do not become mired in the day-to-day dilemmas - - they are not of importance.

May you be blessed with the love of your family and friends during this Holiday season. Keep good thoughts and we'll see you at the April Annual Meeting.

God Bless America

A Very Special Revolutionary War Veteran's Memorial

Compatriot William "Bill" Hart of the Monterey Bay Chapter, joined the SAR based on the service of his ancestor Ensign James Kelly. With the help of DAR member and cousin Mrs. Judith "Judy" Chapman Frisch of Lincoln, Missouri an extensive search of the area around California, Moniteau County, Missouri for the grave site of Patriot James Kelly and his wife Nancy was made. The site was not found. Proof of their having died there was established. They learned that in the early years of the settlement of Missouri the homesteaders were frequently buried on their farms and only wooden markers were erected to the location. The years took their toll on the markers and the location of the graves lost to future generations. The records showed that James died on his farm on January 3rd, 1843, followed by his wife on August 1st of the same year. They had been married 61 years. Bill and Judy went to the Veterans Administration and requested a Government furnished tomb stone. The VA declined the request based on the fact that the grave site had not been located.

Not being able to find James Kelly's grave, or obtaining the cooperation of the Veterans's Administration proved to be minor obstacles. Bill and Judy purchased a lot at the California City Cemetery, a tombstone, depicted to the right was supplied by Judy's DAR Chapter, the Thomas Hart Benton Chapter, and both the SAR and DAR grave markers were implanted on it.

On September 23rd, 2007, the dedication ceremony was held. One hundred people attended the event. Not satisfied with overcoming the numerous problems this effort to honor their patriot ancestor, they arranged for a very special ceremony. Missouri State SAR President Bob Corner, Missouri State DAR Regent Mary Lynn Tolle, Sally Bueno, Honorary State DAR Regent, Katie Stanley, National C.A.R. President, Valerie Schall, DAR State Chaplain, Missouri State Color Guard Commander Robert L. Glover and members of the Color Guard. The ceremonies included a musket salute, wreath laying and speeches.

James Kelly has received the recognition he deserves.

REPORT: I have just returned from the NSSAR *"Spring Leadership Meeting"* in Louisville, KY. This was my 3rd Spring Meeting. The previous years I attended as an observer and participated in Color Guard Events. Last Fall (following the NSSAR National Congress in Dallas, TX) I was appointed to the NSSAR Veteran's Committee.

On Friday, I sat in on the DAR Liaison Committee (It seems that we remain in a subservient role to our DAR Sisters.), the Revolutionary War Graves Committee, the Re-enactor Committee (There is a movement to replace the 'polyester' uniform.), and participated in the Veteran's Committee (The USS Stark and the General William C. Westmoreland Awards were decided).

On Saturday, I attended a workshop *"The Role of Secretary and Application Processes"*. (I received some insight into the Secretary and Registrar's positions in other State Societies. We were also briefed as to 'post' James Randall Administrative changes.) In the afternoon I attended the *"German Society Meeting"*. The German Society is one of 4 International Groups operating within the SAR. Their purpose is to research and promote SAR Membership to descendants of Germans who participated in the American Revolution. These soldiers include the Hessians who were hired by the British to fight against the Colonies. Many of the captured Hessian Soldiers during the Revolution and others soon after the War remained in American, easily blending into the many German Communities. {If anyone is interested in joining the German Society, please contact President **DeVenney**.}

The M. Graham Clark Chapter is well known due to the efforts of the late Dr. **Clarence Pickard** and Compatriots **Edward Gray** (also his bother **David Gray** a Missouri Dual Member) and **David Means**. Although, I attend in the capacity of a MOSSAR State Officer and Color Guard member, I have had the honor and privilege to represent our *Volunteer Services Group*. I have enjoyed making new friends from all over these United States. I have found that we all share the same challenges at the Chapter and State levels. More importantly I have found that we share the same *"Love of Flag & Country", " Support our Troops"* and *"A goal to educate our children and grandchildren about the true meaning of Americanism"*.
[If anyone is interested in attending NSSAR meetings contact President DeVenney.]

COMMENTARY: ***As out going Chapter President I would like to express my gratitude for your friendship and support. Our membership has leveled off to around 45 Compatriots. We still have nearly 15 active members. (We miss the rest of you.) Over the past year we have been able to maintain or improve on many of our M. Graham Clark Chapter Programs. Compatriot Steve Mattox re-established the Eagle Scout Contest. We sent out 156 congratulatory certificates and had 5 responses for the contest. With the work that Past President Roger Duffield began during his term, we have updated the Certificates and Awards Program and have recognized Compatriots for their SAR work. The Nominating Committee under the leadership of Past President Duffield managed to put together a solid slate of Officers. In the process, under the direction of Past President Buck Rikli this Committee also devised a "Calendar of Speakers" to share the responsibility of providing quality monthly Programs. President DeVenney and his Color Guard Unit of Bragg Stanley and Frank Riffle have been active in Color Guard Activities in Columbia and have participated in events around the State and Nationally. In 2006, our most excellent Volunteer Services Group: Al Jones, Ed Hampton, Tom Murphy and Caryl Hager contributed nearly 1,800 man-hours to the Harry S. Truman, Veteran's Hospital. Apart from the Veteran's Hospital Caryl Hager continues to visit Veterans in nursing homes in Cameron and Mexico, Missouri and in Quincy, Illinois. Compatriot James Cunningham continues to conduct Military Funerals for his fellow Veterans and visits the Veteran's Home in Mexico, Missouri. Our Chapter participates in the MOSSAR Josiah Fogg Award, the Chapter Year Book Contest and the M. Graham Clark Teacher of the Year Contest. We are again participating in the NSSAR Eagle Scout Scholarship Contest. We continued to enter (and Win!) the U.S.S. Stark Contest and have had 4 recipients of the General William C. Westmoreland Award.***

The M. Graham Clark Chapter is above 'par' in the State of Missouri and Nationally. {We can do better.} It is a challenge to maintain our memberships and difficult to recruit new members. (The success of any Chapter lies with its members.) "Participating" members can only 'keep' this Chapter great.

'Be an Officer' 'Be a Committee Chairman' 'Adopt an SAR Program' 'Join the Color Guard' 'Honor your Patriot'

Your Humble Servant,

Russell F. DeVenney, Jr.
Outgoing President

The Continental Navy

The Revolutionary War was primarily fought on American soil and by the Continental Army. The history books typically recognize the Continental Army and the French forces that assisted America in its quest for independence. These forces were the most significant in power. Little light is shed upon America's Continental Navy, even though their role in the American Revolution was substantial.

The Continental Navy was founded by the Continental Congress on October 13, 1775. The Continental Congress created this fleet for the purpose of disrupting the British supply lines to the Americas and to attack British trade routes throughout the Atlantic. This fleet was comprised of smaller ships such as brigs, sloops, and schooners and was called a fleet of cruisers because it lacked larger war vessels. There were a few frigates that were commissioned, however they were insignificant in number. Many of the ships in the Continental Navy were former merchant ships and transports that were later outfitted with weaponry to become privateers. Most of these ships kept their merchant captains who knew a great deal about the British tactics and trade. [Palmer]

The privateers patrolled the waters of the Atlantic, the Caribbean, and there were some daring enough to sail into the British Isles and the North Sea. With these ships on patrol the Continental Navy was able to effectively cut many of the British supply lines that were supporting the British troops fighting the Continental Army in America. It also complicated trade between Britain and her other colonies in the Americas. [Palmer]

The privateers usually traveled alone or in small groups of two or three. They traveled in minimal numbers to avoid having an entire fleets destroyed by the superior British Navy. Many of the naval engagements that took place with British warships were conducted by the French warships or a combination of French and American ships. [Palmer]

There were a few instances in which the Continental Navy was successful in engagements with British warships. One of the most famous of these engagements was fought by John Paul Jones. He managed to win a battle against one of Britain's best warships. His impressive battle record made him one of the most fearsome captains in the Continental Navy and rendered him one of the most famous individuals of his time. [LoveToKnow]

After the Revolutionary War ended, all of the ships in the Continental Navy were sold off to pay the debts of the ill financed Continental Congress. It was in this way that the Continental Navy was dissolved. After the Articles of Confederation were replaced by the Constitution, a new navy, the U.S. Navy, was created to defend the United States of America. [Palmer]

A buffet breakfast will be served at a cost of $7.00 per person. Wives, friends, DAR's and prospective members are welcome. Reservations are not required.

PROGRAM: Sallie Houser-Hanfelder was appointed Director of the Harry S. Truman Veteran's Hospital 29 October 2006. She served as the Associate Medical Director at the Central Arkansas Veteran's Healthcare System in Little Rock, Arkansas. She served as Associate Director at the VA Medical Center in Asheville, North Carolina. **Houser-Hanfelder** began her VA Career in 1985 at the Sam Rayburn Memorial Veterans Center, Muskogee, Oklahoma after she received her BS Degree from Texas A & M and her Master's Degree from East Texas State University. **Houser-Hanfelder** is Fellow in the American College of Healthcare Executives, a member of the Senior Executive Association and an adjunct professor with East Texas State University in Commerce, Texas. She and her husband have 2 sons.

Due to extended engagements in Afghanistan and Iraq many Guardsmen and Guardswomen are on active duty. These troops along with regular military personnel are coming home from these combat zones and adding great numbers to the Veteran's Hospital System. We have asked Director **Houser-Felder** to explain what adjustments are being made in the VA System and our local VA Hospital to accommodate these men and women.

Marilyn McLeod the Manager of Reference & Information Services at the Daniel Boone Regional Library presented a Program about the Daniel Boone Regional Library. She provided historical information as to its early beginnings and shared information on current services available to all Boone County Citizens.

President **J. Wayne Merrill** presented Ms. **McLeod** a ***"SAR Flag Certificate"*** for their Patriotic Display of the American Flag at the Library. In appreciation of Ms. **McLeod's** presentation, President **Merrill** presented a ***"SAR Certificate of Appreciation"*** from the M. Graham Clark Chapter.

The regular monthly meeting of ***The M. Graham Clark Chapter, Missouri Society, Sons of the American Revolution*** will be held at 8:00 am on Saturday, 10 November 2007 at our regular meeting place, the Lenoir Community Center. A buffet breakfast will be served at a cost of $7.00 per person. Wives, friends, DAR's and prospective members are welcome. Reservations are not required.

PROGRAM: Professor **William B. Bondeson, Ph.D.** will present a program *"Who will speak for you, when you cannot speak"*.

Doctor **Bondeson**, is Curators' Distinguished Teaching Professor of Philosophy and Family and Community Medicine at UMC-Columbia where he has taught 40 years. Prof. **Bondeson** is also Adjunct Clinical Professor of Nursing, Adjunct Professor of Health Management and Informatics and a member of the Center for Health Ethics. Prof. **Bondeson** received his Undergraduate Degree from Augustana College, a Masters Degree in Greek from the University of Illinois and a Ph.D. Degree in Philosophy from the University of Chicago. He has held Chairs in the Philosophy Department, the University Hospital's Ethic Committee, the UMC Department of Medicine and serves on many Community Ethics Committees. Doctor **Bondeson** has published 4 books and numerous articles on health care, ancient philosophy, higher education and teaching. He was one of the founders of the *Wakonse Foundation for College Teaching and Learning*.

Sallie Houser-Hanfelder, Director of the Harry S. Truman Veteran's Hospital spoke of the conditions at our local Veteran's Hospital as staff tries to process Service Connected Veterans returning from Afghanistan and Iraq. Many are Guardsmen and Guardswomen who only have 2 years to sign up for benefits. These troops have special needs and are not approachable in traditional ways. They are unable or unwilling to come to the VA Facility during normal patient hours. They want to communicate by email or text messaging. The VA System is struggling to accommodate these Hero's. **Nate Witt**, Chief of Voluntary Services also spoke. Chief **Witt** complimented the dedication of the M. Graham Clark Volunteers and explained how vital their service is to the VA System.

NOTICE: We note the passing of long time member Compatriot **Francis "Frank" L. Stubbs** on Friday 19 October 2007. In failing health, **Frank** and his wife **June** had taken up residence at the Candlelight Lodge, Columbia, Missouri. **Frank** served as M. Graham Clark Chapter President from 1983 through 1985. He also served a number of years as Chapter Registrar/Genealogist. Both **Frank** and especially his wife **June** were dedicated volunteers at the Harry S. Truman Veterans Hospital. They were faithful attendees to M. Graham Clark meetings. Their support and participation will be forever missed.

CORRECTION: Last month I incorrectly identified one of our newest members. Compatriot **Robert Lawrence Bartlett** was received as a member of the M. Graham Clark Chapter and duly sworn-in at our September meeting.

These new members have faithfully attended our meetings while waiting for their applications to be approved. We look forward to their help and participation.

MILITARY NOTES:

****

Compatriot Robert L. Bartlett's grandson, 1st Lt. Daniel Lawrence Bartlett is with the 2nd Marine Division in Iraq. This is his 3rd deployment. Pat Holmes (wife of former Compatriot William L. Holmes) and mother of Compatriot George M. L. Holmes sent the following article about her recent visit with George.

BoonvilleDailyNews
12 September 2007

Boonville native, George M. Holmes has recently returned to his U.S. Navy homeport at Bremerton, Washington, after serving eight months of deployment in the Persian Gulf, Pacific Ocean and the Far East on the Aircraft Carrier *John C. Tennis*. ET-2 Holmes, now in his fifth year of Navy service, is a nuclear reactor operator.

While deployed, the *J. C. Tennis* supported the War on Terror Operations in Iraq and Afghanistan with a crew plus flight wing of over 6,000.

// Photo courtesy of Pat Holm

The return trip stopped for 24 hours near Pearl Harbor, Oahu, Hawaii. Holmes' mother, Pat Holmes, and sister, Luciana Holmes Dickinson, both of Boonville, met the ship in Hawaii and enjoyed visiting Honolulu and Oahu with George. Luciana returned to Boonville. Pat boarded the *Stennis* along with several hundred other friends and families of crewmembers for the one-week "cruise" to San Diego, California.

The visitors were given training in combat readiness, tours of many specialized departments of the ship, meals in the mess halls, and accommodations in the berthing areas. They watched an air show at sea from the flight deck and learned about life in the U. S. Navy. Pat said, *"It was the opportunity of a lifetime and I knew I had to go."*

What a special event for the friends and families of the crew of the *U. S. S. Stennis*.

The regular monthly meeting of ***The M. Graham Clark Chapter, Missouri Society, Sons of the American Revolution*** will be held at 8:00 am on Saturday, 08 December 2007 at our regular meeting place, the Lenoir Community Center. A buffet breakfast will be served at a cost of $7.00 per person. Wives, friends, DAR's and prospective members are welcome. Reservations are not required.

PROGRAM: Boone County Representative Judy Baker (District 25) will join us with a message of issues concerning Boone County. Rep. Baker is an Adjunct Professor of Managerial Economics at Columbia College and a Healthcare Consultant and a Managing Partner at Cura Advantage, a healthcare consulting firm. In addition, Rep. Baker serves on the Boards of many Boone County Organizations. She serves as a Deacon at the First Baptist Church in Columbia. She was elected the President of the Democratic Women's Caucus for the House Democrats for the 2007 – 2008 session. She also started the "American Dream" caucus and is President of the Healthy Missourians Caucus. Rep. Baker received a Masters degree in Divinity from Southern Seminary in 1986 and a Masters of Health Administration from the University of Missouri – Columbia in 2002. She and her husband John have three children.

Last month, Prof. **William B. Bondeson, Ph.D.** presented a program *"Who will speak for you, when you cannot speak"*. He discussed *"Ethics Issues"* from the standpoint of 1) Grandfather, 2) Citizen and 3) Member of the Human Race. He sighted the birth of his granddaughter by way of a surrogate mother as an example of advances in medical technology and the moral dilemmas they create. Doctor **Bondeson** suggested that Universal Health Care is a major issue in our Country and will be a challenge to both Political Parties in the next Administration. Dr. **Bondeson** reminded this group of the importance of a *Living Will* and a *Durable Power of Attorney*. More importantly, he stressed that each of us communicate our '*end of life wishes*' with the people who will make these decisions when we are unable to do so.

Following the Program, Vice President **Harold M. Lynch** presented Dr. **Bondeson** with an SAR *Outstanding Citizenship Certificate* and the *Outstanding Citizenship Lapel Pin* for his dedication to "Ethics" issues in our Community.

RECOGNITION: Compatriot **Edward S. Gray** made a donation of $10 to the **M. Graham Clark** Chapter in memory of Compatriot **Francis L.** and his wife **June Stubbs**. Compatriot **Gray** pointed out that Compatriot **Stubbs** originally suggested that our Chapter be named after that great Missourian and past SAR President General Doctor **Montague Graham Clark, Jr.**

If you are contacted to serve as an Officer or Committee Chairman, please support the **M. Graham Clark Chapter**. Remember: *"Honor your Patriot Ancestor!"*

PATRIOTIC SALUTES: Welcome to our 'newest' Compatriots **Christopher Neil Martin, Jamie Stewart Martin, Nicholas Paul Martin** and **Edwyn Thomas Strubinger**. At our 10 November 2007 Chapter Meeting Compatriot **Strubinger** was sworn-in by Vice President **Harold M. Lynch** and Sgt.-At-Arms **Alfred H. Jones**. We are trying to make arrangements with the **Martins** to swear them in at a future meeting in hopes that their sponsor and grandfather Compatriot **Jamie H. Kerr** of Texas will attend.

Graham Clark and (43) Christopher Casey.

"A special 'Thanks' to David McCann and Nancy Thomas for helping build our Chapter Membership."

Flag Committee Chairman **Bryan P. Bradford** and Treasurer **Russell F. DeVenney, Jr.** awarded an SAR Flag Certificate to *Columbia College* on 31 October 2007. Accepting for Columbia College was **Lana Poole**, Associate Director of Public Relations and Marketing. On 10 November 2007, at our Chapter Meeting, a Teacher and two of his students from *Mill Creek Elementary School* were presented an SAR Flag Certificate. They joined us in the *Pledge of Allegiance* stayed for breakfast.

"Compatriot Bradford is doing an excellent job locating Flag Candidates."

****

COMMENTARY: In the most recent history we are averaging around (20) members and guests at our Monthly Chapter Meetings. A few years ago our cost per meal increased from $6.00 to $6.50 per meal. We charge only $7.00 per meal, which amounts to a $10.00 difference if we have (20) paid breakfasts. If we have more than (1) nonpaying guest our breakfast receipts do not cover the cost of our meals and draws down our checking account.

For (20) breakfasts, we pay to Lenoir Woods $130.00. Lenoir Woods has recently made changes in their 'bookings' for banquets and group meetings. We are fortunate that Lenoir Woods continues to serve us at this cost for our (9) monthly meetings and furnish a meeting room at no additional cost.

The *"bottom line"* is this; we need 'additional' regular attendance at our monthly meetings. This will 1) assure that our checking account will stay in the "black" and 2) provide additional "financial" evidence to Lenoir Woods that the **M. Graham Clark Chapter** is a desirable client.

"Please attend 'Your' Chapter Meetings!"

The regular monthly meeting of ***The M. Graham Clark Chapter, Missouri Society, Sons of the American Revolution*** will be held at 8:00 am on Saturday, 12 January 2008 at our regular meeting place, the Lenoir Community Center. A buffet breakfast will be served at a cost of $7.00 per person. Wives, friends, DAR's and prospective members are welcome. Reservations are not required.

PROGRAM: Officer **Jessie Haden Pitman** of the Columbia Police Department will present a program on *"Scams & Frauds"*. Officer **Pitman** is a life long resident of Boone County. Officer **Pitman** received an Undergraduate degree at Columbia College and a Masters degree in Education and Counseling Psychology from Stephens College. Officer **Pitman** has been employed with the Columbia Police Department since 1993 and currently assigned to the Community Services Unit as a Crime Prevention Officer. She is married and has one son.

Last month Boone County Representative **Judy Baker** (25th District) spoke about Missouri State Government. Representative **Baker** talked about the difficulties and cost of funding a political campaign. Representative **Baker** described the *unintended consequences* resulting from "term limitations". It seems that some of the most important Congressional Committees are staffed by Representatives with less than 5 years of experience. Lobbyists have more experience than the Representatives. Following the Program, President **J. Wayne Merrill** presented Representative **Baker** with an SAR *Certificate of Distinguished Service* for her representation of Boone County Citizens and her many years of Service in Health Care.

Next month Compatriot **Buck Rikli** has lined up **David White** as our speaker. On March 8th Compatriot **James S. Cunningham** will present a program on *"Little known fraternal organizations"*. April 12th we will have a Professor from Columbia College. On May 10th **Jim Spaine** of the University of Missouri will speak.

{We now need Speakers for next year, starting in September 2008.}

UPDATE: As of December 25th we have 49 members of the M. Graham Clark Chapter with dues paid for 2008. We have had one member officially withdraw and one deceased member. *Three members have not renewed their memberships and now face the additional re-instatement fee of $5.00.*

Please renew your membership even if it is late.

REMINDER: The lack of attendance at Chapter Meetings is impacting our future. Financially, we are obligated to Lenoir Woods for enough paid meals ($6.50) to justify providing a meeting room without a fee. Members and guests pay ($7.00) per meal and ($.50) is kept by the Chapter to defer the costs of feeding our speakers and nonpaying guests. It takes (13) paid meals to cover the cost of the speaker. It is not unusual to have nonpaying guests in addition to the speaker. These situations require us to draw down our operations account to cover their breakfast. We have had wonderful speakers and your fellow Compatriots 'miss' your company.

Without your presence and participation the M. Graham Clark Chapter is not as strong as it once was or could be. Recently, it has become difficult to fill the Officer positions. We also have a number of Committees without Chairman or do not function as Committees. The SAR provides many programs in Communities all over the Country. The SAR is working hard to educate not only the young people of our Nation, but the men and women that teach our children and grandchildren. Your 'active' participation is strongly encouraged.

"The future of SAR and the quality of this Chapter depends on the dedication of its Members."

A Lasting Influence

Two hundred and twenty years ago, the founding fathers of the United States created one of the longest lasting, most successful governments in history. The aspect of this government that warrants the most attention is The Bill of Rights, created to protect the rights of the individuals from possible tyranny of their government and to ensure that the people of The United States would know what a government should be expected to honor. Of these enumerated rights, the content of the Second Amendment has been constantly under debate for more than one hundred years in The United States alone. There are those that argue on both sides fanatically. Some with basis that can be tracked through history, through the ideas and mentalities of the founding fathers, and the origins of the country's governmental structure; and some that argue their case on personal opinions, fabricated quotes, and illogical and misconstrued facts. Based on the original intentions of the founding fathers as noted in the Federalist papers and further suggestive governmental writings, and the recent release of the Justice department, there is no question that the Second Amendment not only allows for, but guarantees the right of the individual to own firearms.

Looking at the original views of the most influential founding fathers, it is clear that they all wanted the individual to be able to possess firearms. James Madison wrote in The Federalist Papers #46: "Americans have the right and advantage of being armed—unlike the citizens of other countries whose governments are afraid to trust the people with arms."[1] This was supported by Thomas Jefferson's claim that "A strong body makes the mind strong. As to the species of exercises, I advise the gun. While this gives moderate exercise to the body, it gives boldness, enterprise, and independence to the mind. Games played with the ball and others of that nature, are too violent for the body and stamp no character on the mind. Let your gun therefore be the constant companion of your walks."[2] Logically, this is an accepted truth where one who possesses a weapon will undoubtedly be more brazen and bold than one who is unarmed, for the simple fact that if they are wrong or misunderstood, they have power, or so they think, to sway opinions. However, if their ideas are correct, they will benefit from it, but it never would have happened had they not had the courage to stand up and say what they believed.

PP)

James Madison had a clear intent of guaranteeing this right to the people, stating that "The right of the people to keep and bear arms shall not be infringed; a well armed, and well regulated militia being the best security of a free country: but no person religiously scrupulous of bearing arms, shall be compelled to render military service in person."[3] This was one of Madison's proposals, which became what is now the Second Amendment. John Locke, whose works can be cited throughout the United States Constitution, asserted, "the law, which was made for my preservation, where it cannot interpose to secure my life from present force, which if lost, is capable of no reparation, permits me my own defense."[4] Although, as the Justice Department recognizes, Locke does not specifically mention arms, it is implied that self defense by any manner is acceptable when the government cannot be involved. This can be seen in recent events regarding people living in the aftermath of hurricane Katrina. The state of chaos that was present left thousands of people with no protection from looters trying to make money from people's belongings. The people who were left alone and unharmed were the ones who had firearms for self-defense. This led to a nearly instant response to the order given to disarm the remaining populace. The United States District Court for the Eastern District in Louisiana issued a restraining order to bar further gun confiscations from peaceable and law-abiding victims of Hurricane Katrina in New Orleans. This will undoubtedly carry a massive weight throughout the United States proving that it is against the law to disarm innocent and peaceable citizens.

Perhaps the clearest and most concise proclamation of the necessity for people to be allowed arms lies in the very document that earned those people their freedom in the first place. "But when a long train of abuses and usurpations, pursuing invariably the same object, evinces a design to reduce them under absolute despotism, it is their right, it is their duty, to throw off such government, and to provide new guards for their future security."[5] If the government were to attempt to oppress the people of the United States, who are guaranteed arms, the likelihood of success is far less than that of an unarmed populace. Joseph Story, Supreme Court Justice from 1812-1845 furthered this idea stating the following: "The right of the citizens to keep and bear arms has justly been considered as the palladium of the liberties of a republic, since it offers a

strong moral check against the usurpations and arbitrary power of rulers; and it will generally, even if these are successful in the first instance, enable the people to resist and triumph over them."[6] This is not a radical claim; on the contrary it is a dangerously real one. Story's words would be echoing in the minds of millions as they were stripped of their rights to own firearms, and later killed, defenseless. As the organization, *Jews for the Preservation of Firearms*, has pointed out, every major genocide of the last century was preceded by a nationwide disarmament of the people. Fidel Castro, Joseph Stalin, Adolf Hitler, and Pol Pot, all mass killers. All disarmed their people calmly and peacefully before committing their heinous acts.

The Justice Department released a 104-page document on August 24, 2004, critically analyzing the validity of an individual's right to possess firearms. Their decision? The possession of firearms is a guaranteed right clearly enumerated in the Bill of Rights and is applicable to all citizens, provided they meet the current criterion for purchasing a firearm. In analyzing the textual side of the amendment, they concluded, "The text of the Amendment's operative clause, setting out a 'right of the people to keep and bear arms,' is clear and is reinforced by the Constitution's structure. The Amendment's prefatory clause, properly understood, is fully consistent with this interpretation."[3] Not only does the syntax yield an understanding of pertinence to an individual, but also the historical connections that are uncovered reveal the same conclusions. The Justice Department asserted, "Thus, the right to arms that America inherited from England was a right of individuals, and had deep roots by the time of the Framing,"[3] after extensive research into the English Declaration of Rights and the English Revolution. Their research continued into the pre-constitution era of the United States, declaring, "Thus, the right of individual English subjects was transplanted to America. Americans also, from their experience in the American Revolution, came to emphasize the citizen militia, which they recognized was furthered by the individual right to private arms."[3] After this extensive exposé divulging the history and syntax of the Second Amendment, the Justice Department concluded unanimously "that the Second Amendment secures an individual right to keep and to bear arms."

Since the founding of this great nation, the United States has been the land of the free. Freedom is the reason that this nation exists. Without the promise of freedom, few would have come to America; few

PP)

would have fought and died for America and the ideals it embodied. Should this promise be smothered and evicted as if it were never there? Of course not. America was founded on freedom and individuality, which are still the principal facets of this country's uniqueness and greatness. Firearms are embedded in this culture, as much as freedom; after all, they were the tools by which freedom in the United States was constructed. Why, then, should they be barred from the lives of Americans? They shouldn't. Colonists, founding fathers, framers, early politicians, and later politicians all agreed that firearms were a necessity to the American way of life. History tells a story, and with regard to this issue, the moral of that story is to not disarm the people, for it will end horridly. "The Constitution shall never be construed to authorize Congress to prevent the people of the United States, who are peaceable citizens, from keeping their own arms."[7] Let the words of John Adams ring true and follow what the framers clearly wanted, when they plainly knew what they were doing in the creation of one of the greatest governmental structures of all time.

Enrique Fuhlage: Biography

At the present I plan to study law with an emphasis in business. My options are wide and plentiful and always expanding. I attended a weeklong Youth Education Summit in Washington D.C. sponsored by the National Rifle Association, which opened my eyes to law and government. The opportunities presented to me have been nothing short of phenomenal. In the summer of 2006 I attended the Missouri Scholars academy with 330 of the best students in the state for 3 weeks; doors opened left and right as I realized the possibilities that lay ahead through hard work and determination.

My involvement in extra curricular activities is thorough; I am actively involved in the following clubs and organizations:

- National Rifle Association;
- Eagle Scout application is currently under review;
- Rock Bridge High School Drumline (Section Leader);
- Rock Bridge High School Junior Varsity Golf Team;
- Rock Bridge High School Young Republicans;
- Spanish Honors Society;
- National Junior Honor Society;
- Rocky Mountain Elk Foundation;
- North American Hunting Club;
- Cedar Creek Rod & Gun Club;
- Green Valley Gun Club;

At the present time, I am a senior mentor and tutor for sophomores (our school runs grades 10-12) and am providing 3.5 hours of tutoring per week as well as introducing the new students to the school and helping them get acclimated.

Notice:

Compatriot **Terrill D. Jones** is working with D.A.R. State Chairman of Volunteer Information Systems **Lucinda Rohrs** to bring to the M. Graham Clark Chapter it's own Website. This will a more efficient form of communication and potentially attract some new members.

The Website will provide the latest information regarding the M. Graham Clark Chapter and a convenient way to contact some of us. There will be links to NSSAR, D.A.R. & C.A.R. If you will provide us with your email addresses we will notify you when the Website is in place. Send your email addresses to Terry <tdjay99@hotmail.com> or Russ <rfdjr1@centurytel.net> and we will send to you the Web address as soon as it is available.

We fully realize that a number of our most faithful members do not have a computer nor do they use the Internet. Without the 'mail out' announcements of the past we run the risk of further loss of membership and participation. The new Officers must address the need for communication. If any member can offer some suggestion or accept this responsibility please "step forward".

On November 20, 2010, Quilts of Valor were presented by Laura DeVenny to COM Harold M. Lynch and COM Larry Morehouse. The Quilt of Valor had already been presented to COM James S. Cunningham. The Quilts of Valor Program is a National Program and is meant to acknowledge and honor American Veterans.

On December 18, 2010 Quilts of Valor were presented to COM Alfred H. Jones and COM Buck Rikli.

On February 19, 2011, a Quilt of Valor was presented to Louis Coutts. Mrs. Coutts was the mother of COM John H. Coutts and was a World War II Navy Waves Veteran who served as a Pharmacists Assistant.

The Chapter donated $100 to the Quilts of Valor Program to help cover expenses the makers of the quilt incur in this extremely worthwhile program.

Grave Marking: The M. Graham Clark Chapter performed a Grave Marking Dedication Ceremony on August 14, 2010. The Patriot's name was Randolph White, who was a Private in Captain Robert Todd's Company, Illinois Regiment under George Rogers Clark. Pvt. White is buried in the Old David Austin Cemetery, north of Huntsville, Missouri.

Chapter President John H. Coutts was the Emcee of the program. Below are photos from the event:

This was the final Quilt of Valor presented to World War II veterans from the Chapter. The complete list of World War II Veterans presented with Quilts of Valor for World War II is:

COM James S. Cunningham, COM Lawrence G. Morehouse, COM Harold M Lynch, COM Caryl E. Hager, COM Arthur "Buck" Rikli, COM Edward L. Hampton, COM Alfred H. Jones, COM Thomas P. Murphy and COM O. V. Wheeler. Another World War II Veteran who was presented with a Quilt of Valor was Louise Coutts, the mother of COM John H. Coutts.

The Columbia Missouri Memorial Parade Committee decided to refuse to allow the Color Guard to be in the Memorial Day Parade. Their reasoning was that only veterans who were in the uniforms in which they served in the service were to march in the parade. This was an unfortunate ending to a long-time annual event.

The Chapter did place a SAR wreath on Memorial Day on the Columbia Court House lawn.

DAR CHAPTER REGENT

On Saturday, March 22, the Howard County Chapter Daughters of the American Revolution (DAR) celebrated their 100th Anniversary (January 12, 1914 through January 12, 2014).

The commemoration was concluded with a musket salute by the SAR Musket Corps.

The observance continued at the First Baptist Church. Chapter Chaplain Charlotte Acton opened the program with the invocation, followed by the SAR Color Guard presentation of Colors.
